## **Disney Plus In The Us:**

**The Cultural Legacy of Disney** Robyn Muir, Emily Aguiló-Pérez, Hannah Helm, Rebecca Rowe, 2024-08-06 This book critically engages with the Walt Disney Company as a global media conglomerate as they mark their 100th year of business It reflects on and looks forward to the past present and future of the company and the scholarly engagement surrounding it through three key areas Disney as a Company Disney s Representations and Relating to Disney Disney as a Company identifies the corporate and management cultural changes over Disney s 100 year history with contributors examining Disney s transnational media influence changes in management strategy and Disney s recent transmedia venture Disney Disney s Representations features chapters critically engaging with gender disability and iconic characters that imply cultural change Relating to Disney embodies the crucial work examining how audiences engage with Disney with contributors exploring fashion Disney Fandom and identity and how people engage with the space of the Parks This edited collection explores the newer additions to the company but also reflects on the company s past over its 100 years The chapters provide a diverse examination of the many facets of one of the most successful global media conglomerates providing scholars students and interested audiences a global and interdisciplinary snapshot of the Walt Disney Company at 100 years **A Hero in All of**

**Us?** Stephen Clouse, Aaron Kushner, 2024-08-26 Is heroism possible for everyone Should it be What kinds of stories do we tell when we talk about heroes and what do these stories reveal about how we view ourselves This book takes up these questions and more by reflecting on twenty first century American television shows Among the shows examined are Only Murders in the Building Game of Thrones The Good Lord Bird The Boys and Severance What we find is an entertainment landscape unsure about what a hero is or even what qualifies as heroic In a nation uncertain about heroism we see a dramatic rise in the popularity of the anti hero and even in worlds without heroes This fragmented variety highlights how the American political mind is similarly fragmented in what it believes are its highest aspirations and its deepest anxieties It is this fragmentation that may help us understand why twenty first century entertainment has elevated the heroic to the supernatural while simultaneously democratizing heroism to the point where anyone may become one A Hero in All of Us Heroism and American Political Thought as Seen on TV explores this multifaceted landscape to better understand how

Americans view their heroes and themselves **Cultural Governance** Chris Bailey, Elena Theodoulou Charalambous, Geert Drion, 2023-12-21 Cultural governance is currently regarded as a transversal element of public policy in Europe This book brings together academics and policy practitioners to provide new insights into the field exploring its contemporary dynamics dilemmas and challenges In light of the Cyprus Presidency in 2026 the authors reflect on the breadth and boundaries of cultural governance in a European perspective the role of international institutions such as UNESCO and the EU and the frameworks and dilemmas of cultural governance as a dedicated practice Particular attention is given to the relationship between culture and human creativity to cultural rights and to climate breakdown placing cultural governance at the heart of

integrated public policy As a key contribution that enriches the field of cultural policy this book is essential reading for academics and offers guidance for concerted action for policymakers and legislators

**Performance and the Disney Theme Park Experience** Jennifer A. Kokai, Tom Robson, 2025-07-02 Most scholars and critics deny agency to the tourist in their engagement with the Disney theme park experience The vast body of research and journalism on the Disney Imagineers the designers and storytellers who construct the park experience leads to the misconception that these exceptional artists puppeteer every aspect of the guest's experience This anthology now in its second edition re-centers the park experience around its protagonist the tourist and addresses the Disney Parks using performance theory an approach few to no scholars had used prior to the first edition The authors of the individual essays as well as the Introduction by Kokai and Robson and an Afterword by world renowned tourism and performance expert Susan Bennett recognize the inherently complicated nature of Disney Many of the contributors consider themselves Disney fans but also recognize the potentially problematic aspects of Disney parks This collection permits both perspectives to exist side by side informing rather than contradicting each other

**The Routledge Handbook of European Integrations** Thomas Hoerber, Gabriel Weber, Ignazio Cabras, 2022-02-27 The Routledge Handbook of European Integrations fills a significant gap in the European studies literature by providing crucial and groundbreaking coverage of several key areas that are usually neglected or excluded in European integration collections Whilst still examining the largest and most influential institutions bodies and highly funded policy areas as acknowledged dominant topics in European studies it crucially does so with much greater balance by devoting equal billing to areas such as culture in European integration or new technologies and their impact on the EU Organised around three main sections culture technology and tangibles the

book offers an authoritative encyclopaedia to alternative areas in European integration from media football Erasmus and tourism to transport space AI and energy retains coverage of the dominant topics in European studies such as the Eurozone the Common Internal Market or European law but in balance with other areas of interest and provides an essential companion to existing scholarship in European studies The Routledge Handbook of European Integrations is essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research in the study of European integration studies The Open Access version of Chapter 14 in this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

**Once Upon an American Dream** Andrew Lainsbury,2000 Branded a cultural Chernobyl and the tragic kingdom the Euro Disney Resort has been on its own thrill ride since opening in 1992 The much publicized version of the Magic Kingdom gave Europeans alcohol free mocktails surly employees even colors too muted for the Disney image Facing financial disaster was it any wonder that Disney execs found themselves wishing upon a star for answers After so many knee jerk criticisms of Euro Disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of American cultural imperialism Andrew Lainsbury a former Euro Disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine Europe s love hate relationship with Euro Disneyland and some of the undiscussed issues surrounding it Once Upon an American Dream is a story of global capitalism on a grand scale Lainsbury has plumbed company archives and interviewed key players to give readers the real view from Le Chateau de la Belle au Bois Dormant Sleeping Beauty s Castle He cracks open the Euro Disney controversy to reveal the park not as a tragic experiment in exporting American culture but the result of European efforts to import a popular form of American entertainment Lainsbury tells how the Walt Disney Company came to build a European park and locate it in France how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from Saudi Arabia He reveals what it took to win back the hearts of skeptical Europeans such as serving wine selling flashy merchandise and placating disgruntled workers Finally he looks into the magic mirror to speculate on the role of Euro Disney and the Walt Disney Company in the twenty first century Ultimately Lainsbury shows that cultural imperialism is not an exclusively American phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared Once Upon an American Dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what Euro Disneyland is all about
