Alexander Karp,2019-05-09 ICMI or IMUK was founded in 1908 and initiated the establishment of national subcommissions
to launch national activities in response to the IMUK agenda and to promote the reform proposals within each member
country While ICMI s activities were thoroughly studied the activities of the national subcommissions are studied only very

documenting the development of mathematics education at the beginning of the 20th century and because of the changes
