Pretending and Meaning Richard Henry, 1996-06-30 Since Plato Western critics of literature have asked how it is possible for fiction writers to mean something serious The outrage over Salman Rushdie s *The Satanic Verses* published in 1988 highlighted our continued uneasiness over distinctions between fact and fiction novel and history truth and falsehood The blasphemy charged against Rushdie raises important questions Did Rushdie mean *The Satanic Verses* or didn t he When he publicly recanted what did he mean What do we even mean by mean This is the starting point for Richard Henry s
