[Religion in Gender-Based Violence, Immigration, and Human Rights](#) Mary Nyangweso, Jacob K. Olupona, 2019-07-23 This book builds on work that examines the interactions between immigration and gender based violence to explore how both the justification and condemnation of violence in the name of religion further complicates our societal relationships Violence has been described as a universal challenge that is rooted in the social formation process As humans seek to exert power on the other conflict

occurs Gender based violence immigration and religious values have often intersected where patriarchy based power is exerted on the other An international panel of contributors take a multidisciplinary approach to investigating three central themes Firstly the intersection between religion immigration domestic violence and human rights Secondly the possibility of collaboration between various social units for the protection of immigrants human rights Finally the need to integrate faith based initiatives and religious leaders into efforts to transform attitude formation and general social behavior This is a wide ranging and multi layered examination of the role of religion in gender based violence and immigration As such it will be of keen interest to academics working in religious studies gender studies politics and ethics

Gender-Based Violence in the Global South Ramona Biholar,Dacia L. Leslie,2024-02-26 This book amplifies the different voices and experiences of those facing gender based violence GBV in the Global South It explores the localised ways in which marginalised individuals design modes of coping with and address GBV including cultural interpretations and artistic and faith based expressions The book examines GBV triggers prevalence and societal impacts while referring to community national and regional mobilisation to deal with the phenomenon in its various manifestations including physical psychological political domestic and public violence It explores issues related to women s negotiations with the patriarchal underpinnings of GBV the role of the law and history in the perpetuation of GBV the complementary role of culture and faith to legal protection against GBV and access to justice for women and girls In doing so the book exposes understandings and expressions of GBV as well as methodologies and indigenous initiatives to prevent it through local viable solutions The book thus challenges the normalisation of GBV in the Global South Providing concrete and culturally relevant suggestions for challenging ingrained models of gender understandings of violence in the Global South this book will be of interest to academics in the fields of Development Studies Gender Studies Women s Studies Violence and Abuse Studies Human Rights Criminal Law and Socio Legal Studies

Human Rights and Gender Based Violence in Asia Fozia Nazir Lone,Guobin Zhu,Anthony Carty,2025-11-24 This edited book adopts a prescriptive and culturally relative narrative to understand and critique human rights within Asia Simultaneously it aims to understand how human rights especially such as women s rights are practised and protected by Asian nations The book evaluates the realisation of Eurocentric human rights by Asian states in line with their domestic needs and priorities It delineates the alien nature of western standards of human rights for Asia Contributors focus on varied geographical contexts including South Asia China and Vietnam The chapters also cover the protection of women s rights in conflict zones in Myanmar Kashmir and Afghanistan as well as regional human rights mechanisms Covering a diverse region this book will be of interest to researchers and students of international human rights feminism and gender studies particularly in the Asian context

[Social analysis for inclusive agrifood investments](#) Christensen, I.,Romano, M.,2023-12-12 More than a decade has passed since the publication of the series entitled Social Analysis of Agriculture and Rural Investment Projects which comprises three complementary manuals the Manager s Practitioner s and Field guides During

this time conflict climate change and economic downturns have been driving up poverty hunger and socioeconomic inequalities reducing the resilience of agrifood systems In response the FAO Investment Centre has updated the Social Analysis guides to address the evolving and volatile rural transformation context providing programme managers practitioners and field workers with a set of enhanced tools for the design implementation and evaluation of inclusive investments in agrifood systems Today s investments must prioritize more demand driven people centred culturally sensitive and locally owned sustainable approaches with increased attention to reducing gender and other inequalities Operationalizing these principles contributes to FAO s and financing agencies objectives of ending poverty improving food security and nutrition and reducing inequalities The goal of the updated guides is to support investments that contribute to inclusive resilient and sustainable agrifood systems aligned with the outcomes of the UN Food Systems Summit the Sustainable Development Goals SDGs and the core principle of leaving no one behind This publication is part of the Investment Toolkits series under the FAO Investment Centre s Knowledge for Investment K4I series The contents of this publication have been developed into three e learning courses which are accessible for free through the FAO E learning Academy

Routledge International Handbook of Feminisms and Gender Studies Anália Torres,Paula Campos Pinto,Tamara Shefer,Jeff Hearn,2024-11-29 This Handbook is an important contribution to the recent history of and contemporary debates on feminist gender and women s studies seen in a global perspective It tackles current developments in the area by examining their multiple configurations in different countries across the world and taking stock of the tensions and controversies that have recently emerged against and within the field The volume brings together essays from renowned feminist and gender studies academics from the Global North and Global South together with early stage emerging scholars The diversity of the geopolitical and disciplinary locations and the quality of their reflections provide rich wide ranging and interdisciplinary discussions that are rarely found in similar collections making this an essential resource for advanced students and academics in the field

Armed Conflict, Women and Climate Change Jody M. Prescott,2018-11-21 The gender differentiated and more severe impacts of armed conflict upon women and girls are well recognised by the international community as demonstrated by UN Security Council Resolution UNSCR 1325 on Women Peace and Security and subsequent resolutions Similarly the development community has identified gender differentiated impacts upon women and girls as a result of the effects of climate change Current research and analysis has reached no consensus as to any causal relationship between climate change and armed conflict but certain studies suggest an indirect linkage between climate change effects such as food insecurity and armed conflict Little research has been conducted on the possible compounding effects that armed conflict and climate change might have on at risk population groups such as women and girls *Armed Conflict Women and Climate Change* explores the intersection of these three areas and allows the reader to better understand how military organisations across the world need to be sensitive to these relationships to be most effective in civilian centric operations in

situations of humanitarian relief peacekeeping and even armed conflict This book examines strategy and military doctrine from NATO the UK US and Australia and explores key issues such as displacement food and energy insecurity and male out migration as well as current efforts to incorporate gender considerations in military activities and operations This innovative book will be of great interest to students and scholars of international relations international development international security sustainability gender studies and law

Routledge Handbook of Foreign Policy Analysis Methods Patrick A Mello, Falk Ostermann, 2022-12-26 The disintegration and questioning of global governance structures and a re orientation toward national politics combined with the spread of technological innovations such as big data social media and phenomena like fake news populism or questions of global health policies make it necessary for the introduction of new methods of inquiry and the adaptation of established methods in Foreign Policy Analysis FPA This accessible handbook offers concise chapters from expert international contributors covering a diverse range of new and established FPA methods Embracing methodological pluralism and a belief in the value of an open discussion about methods assumptions and diverging positions it provides new state of the art research approaches as well as introductions to a range of established methods Each chapter follows the same approach introducing the method and its development discussing strengths requirements limitations and potential pitfalls while illustrating the method s application using examples from empirical research Embracing methodological pluralism and problem oriented research that engages with real world questions the authors examine quantitative and qualitative traditions rationalist and interpretivist perspectives as well as different substantive backgrounds The book will be of interest to a wide range of scholars and students in global politics foreign policy and methods related classes across the social sciences Chapters 4 25 and 32 of this book are available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license

Politicization of Sexual Violence Carol Harrington, 2016-04-22 In the 1990s feminist scholars on the politics of rape experienced a sudden surge of interest in their until then marginal field Why was the 1990s the right time for rape to become an international security problem Furthermore why suddenly in the 1990s did rape become problematized as an international issue not just by the feminist fringes of protest movements but also by intergovernmental bureaucracies To explore these questions Carol Harrington traces the historical change in the politicization of rape as an international problem and explains how early international women s organizations gained expert authority on rape by drawing on abolitionist rhetoric of bodily integrity She discusses why they abandoned their politicization of rape in the inter war period and why rape only reappeared as an international security question requiring gender expertise on trauma after the Cold War
