Kheir Al-Kodmany,2017-02-17 In recent years the rapid pace of tall building construction has fostered a certain kind of
placelessness with many new tall buildings being built out of scale context and place By analyzing hundreds of tall buildings
and by providing hundreds of visuals that inspire stimulate and engage Understanding Tall Buildings contends that well
designed tall buildings can rejuvenate cities ignite economic activity support social life and boost city pride Although this
book does not claim to possess all the solutions it does propose specific tall building design guidelines that may help to
promote placemaking Through this work it is the author s hope that ill conceived developments will become less common in
the future and that good placemaking will become the norm not the exception This book is a must read for students and
practitioners working to create better tall buildings and better urban environments *Pakistan & Gulf Economist* ,2005
