Srengenge Sitok Srengenge,2017 *Critical Views on Works by Shahnon Ahmad* Mohd. Yusof Hasan,2017 **Self and Society in Southeast Asian Fiction** Thelma B. Kintanar,1988 The book begins with a brief survey of the development of modern fiction in Southeast Asia The fiction of five ASEAN countries Indonesia Malaysia the Philippines Singapore and Thailand is reviewed to analyze the major patterns in the relationship between the individual and his society as shown in the following themes the individual and his identities alienation and exile social class and the individual and commitment

Antara Kampung Dan Kota Maimunah Mohd. Tahir (Ungku),1998 **A Fragile Nation** Khoon Choy Lee,1999 Since the fall of President Suharto in May 1998 Indonesia the third largest country in Asia has been facing a political economic and social crisis Racial and religious clashes culminating in riots burning and chaos have become a daily event throughout the country There are signs that this multi racial multi religious and multi cultural country may disintegrate just as Yugoslavia and the Soviet Union There are two major reasons why Indonesia is facing the crisis First Suharto failed to keep the balance of power between the armed forces and Islam just as Sukarno had failed in his interplay of strength between Communism and the armed forces When the balance was tilted chaos and disasters followed The second reason is that the Indonesian people at least a section of them have lost the spirit of tolerance symbolised in the Indonesian state crest Bhenneka Tunggal Ika Unity in Diversity which is so vital in a multi religious and plural society The mass killing of thousands of ethnic Chinese on 13 May 1998 the appearance of mysterious ninja murders the burning of churches and mosques and the religious clashes between Christians and Muslims in Ambon have all indicated that this spirit of tolerance which was once so strongly imbedded in the Indonesian culture is fast evaporating There seems to be no more rule of law in the country The cry for jihad among the Muslims in Jakarta to take revenge on the Christians in Ambon is making the more moderate religious leaders panicky There is a tendency among the Indonesians to take the law into their own hands Some extreme Muslims even hope to establish an Islamic State of Indonesia Economically Indonesia scommerce and industries have been ruined with foreign investors shunning the country Millions of people are dying everyday from hunger The economic situation is deteriorating everyday The author of this book is the for Srengenge Shahnon Ahmad,1979 *Shahnon Ahmad* Harry Aveling,2000
