- Born on December 21, 1879
- Born in Gori, Georgia
- Died on March 5, 1953
- Died in Moscow, Russia

Stalin A Biography

Marcel A. Müller

Stalin A Biography:

Stalin Robert Service, 2005 Overthrowing the conventional image of Stalin as an uneducated political administrator inexplicably transformed into a pathological killer Service reveals a more complex and fascinating story behind this notorious twentieth century figure Drawing on unexplored archives and personal testimonies gathered from across Russia and Georgia this is the first full scale biography of the Soviet dictator in twenty years

Stalin Robert Service, 2005-11-01 Drawing on a wealth of unexplored material available for the first time since the collapse of the former Soviet Union Robert Service's biography of Stalin is the most authoritative yet published It concentrates not simply on Stalin as dedicated bureaucrat or serial political killer but on a fuller assessment of his formative interactions in Georgia his youthful revolutionary activism his relationship with Lenin with his family and with his party members This is effectively the first full biography since perestroika to encompass the economic political diplomatic military administrative and above all ideological dimensions as well as the personal aspects of Stalin's colossal life Gritty and unshowy but enlightened by Service's compelling characterisation magisterial analysis and dry wit this outstanding biography of lightly worn authority wide research and superb intuition will be read for decades Simon Sebag Montefiore author of *STALIN The Court of the Red Tsar* Sunday Times

Stalin, a Political Biography Isaac Deutscher, 1949

Stalin Christopher Read, 2016-12-08 This new biography of Stalin offers an accessible and up to date representation of one of the twentieth century's defining figures as well as new insights analysis and illumination to deepen our understanding of his actions intentions and the nature of the power that he wielded Christopher Read examines Stalin's contribution to and impact on Russian and world events in the first half of the twentieth century The biography brings together the avalanche of sources and scholarship which followed the collapse of the system Stalin constructed including the often neglected writings and speeches of Stalin himself In addition to a detailed narrative and analysis of Stalin's rule chapters also cover his early years and humble beginnings in a small town at a remote outpost of the Russian Empire his role in the revolution his relationships with Lenin Trotsky and others in the 1920s and his rise to become one of the most powerful figures in human history The book closes with an account of Stalin's afterlife and legacy both in the immediate aftermath of his death and in the decades since This concise account of Stalin's life is the perfect introduction for students of modern Russian history

Stalin Ronald Grigor Suny, 2022-03-29 This biography of the young Stalin is more than the story of how a revolutionary was made it is the first serious investigation using the full range of Russian and Georgian archives to explain Stalin's evolution from a romantic and idealistic youth into a hardened political operative Suny takes seriously the first half of Stalin's life his intellectual development his views on issue of nationalities and nationalism and his role in the Social Democratic debates of the late nineteenth and early twentieth centuries This book narrates an almost tragic downfall we see Stalin transform from a poor provincial seminarian who wrote romantic nationalist poetry into a fearsome and brutal ruler Many biographers of Stalin turn to shallow psychological analysis in seeking to

explain his embrace of revolution focusing on the beatings he suffered at the hands of his father or his hero worship of Lenin or sensationalizing Stalin's involvement in violent activity Suny seeks to show Stalin in the complex context of the oppressive tsarist police state in which he lived and debates and party politics that animated the revolutionary circles in which he moved. Though working from fragmentary evidence from disparate sources Suny is able to place Stalin in his intellectual and political context and reveal not only a different analysis of the man's psychological and intellectual transformation but a revisionist history of the revolutionary movements themselves before 1917.

[Joseph Stalin, a Short Biography](#) Joseph Stalin, 1941

Joseph Stalin Marx - Engels - Lenin Institute, 2002-12 Originally published in the Soviet Union in 1950 this Stalinist era political book gives a unique glimpse of the man and the era. It includes a variety of photographs of Stalin at various ages beginning at age 15.

Stalin Edvard Radzinsky, 2011-05-18 From the author of *The Last Tsar* the first full scale life of Stalin to have what no previous biography has fully obtained the facts. Granted privileged access to Russia's secret archives Edvard Radzinsky paints a picture of the Soviet strongman as more calculating ruthless and blood crazed than has ever been described or imagined. Stalin was a man for whom power was all terror a useful weapon and deceit a constant companion. As Radzinsky narrates the high drama of Stalin's epic quest for domination first within the Communist Party then over the Soviet Union and the world he uncovers the startling truth about this most enigmatic of historical figures. Only now in the post Soviet era can what was suppressed be told. Stalin's long denied involvement with terrorism as a young revolutionary the crucial importance of his misunderstood behind the scenes role during the October Revolution his often hostile relationship with Lenin the details of his organization of terror culminating in the infamous show trials of the 1930s his secret dealings with Hitler and how they backfired and the horrifying plans he was making before his death to send the Soviet Union's Jews to concentration camps tantamount to a potential second Holocaust. Radzinsky also takes an intimate look at Stalin's private life marked by his turbulent relationship with his wife Nadezhda and recreates the circumstances that led to her suicide. As he did in *The Last Tsar* Radzinsky thrillingly brings the past to life. The Kremlin intrigues the ceaseless round of double dealing and back stabbing the private worlds of the Soviet Empire's ruling class all become in Radzinsky's hands as gripping and powerful as the great Russian sagas. And the riddle of that most cold blooded of leaders a man for whom nothing was sacred in his pursuit of absolute might and perhaps the greatest mass murderer in Western history is solved.

[Who Was Joseph Stalin? - Biography Kids | Children's Historical Biographies](#) Baby Professor, 2017-03-15 Why do people hate Joseph Stalin as much as they hate Hitler? Read on and you'll know the answer soon. You want your child to read about Stalin because you want him/her to understand the thought process and why decisions were made that way. Yes this is not an easy read but it's very enlightening.

Stalin Robert Service, 2010

Stalin Robert Service, 2004

[Stalin](#) Oleg V. Khlevniuk, 2015-05-19 An engrossing biography of the notorious Russian dictator by an author whose knowledge of Soviet era archives far surpasses all others. Josef Stalin exercised supreme power in the Soviet Union from 1929 until his death in 1953.

During that quarter century by Oleg Khlevniuk's estimate he caused the imprisonment and execution of no fewer than a million Soviet citizens per year Millions more were victims of famine directly resulting from Stalin's policies What drove him toward such ruthlessness This essential biography offers an unprecedented fine grained portrait of Stalin the man and dictator Without mythologizing Stalin as either benevolent or an evil genius Khlevniuk resolves numerous controversies about specific events in the dictator's life while assembling many hundreds of previously unknown letters memos reports and diaries into a comprehensive compelling narrative of a life that altered the course of world history In brief revealing prologues to each chapter Khlevniuk takes his reader into Stalin's favorite dacha where the innermost circle of Soviet leadership gathered as their *vozhdy* lay dying Chronological chapters then illuminate major themes Stalin's childhood his involvement in the Revolution and the early Bolshevik government under Lenin his assumption of undivided power and mandate for industrialization and collectivization the Terror World War II and the postwar period At the book's conclusion the author presents a cogent warning against nostalgia for the Stalinist era This brilliant authoritative opinionated biography ranks as the best on Stalin in any language Martin McCauley East West Review A historiographical and literary masterpiece Mark Edele Australian Book Review A very digestible biography yet one packed with revelations Paul E Richardson Russian Life Magazine

Joseph Stalin Institut Marksa-Engel'sa-Lenina,1950 **Stalin** Harold Shukman,2023-03 A pocket biography of one of history's most ruthless leaders Joseph Stalin was one of the most ruthless and authoritarian dictators in world history who plunged Russia into a barbarous nightmare leaving behind a damaged nation and a legacy of grief This concise biography presents Lenin's heir from his humble and troubled beginnings to the highest rank of all General Secretary of the Communist Party Stalin A Pocket Biography is an accessible account of a complex tyrant perfect for students or anyone taking a first look into modern Russian history

Stalin: a Political Biography I. Deutscher,1971 **Stalin** Stephen Kotkin,2017-10-31 Monumental The New York Times Book Review Pulitzer Prize finalist Stephen Kotkin has written the definitive biography of Joseph Stalin from collectivization and the Great Terror to the conflict with Hitler's Germany that is the signal event of modern world history In 1929 Joseph Stalin having already achieved dictatorial power over the vast Soviet Empire formally ordered the systematic conversion of the world's largest peasant economy into socialist modernity otherwise known as collectivization regardless of the cost What it cost and what Stalin ruthlessly enacted transformed the country and its ruler in profound and enduring ways Building and running a dictatorship with life and death power over hundreds of millions made Stalin into the uncanny figure he became Stephen Kotkin's Stalin Waiting for Hitler 1929 1941 is the story of how a political system forged an unparalleled personality and vice versa The wholesale collectivization of some 120 million peasants necessitated levels of coercion that were extreme even for Russia and the resulting mass starvation elicited criticism inside the party even from those Communists committed to the eradication of capitalism But Stalin did not flinch By 1934 when the Soviet Union had stabilized and socialism had been implanted in the countryside praise for his stunning anti

capitalist success came from all quarters Stalin however never forgave and never forgot with shocking consequences as he strove to consolidate the state with a brand new elite of young strivers like himself Stalin's obsessions drove him to execute nearly a million people including the military leadership diplomatic and intelligence officials and innumerable leading lights in culture While Stalin revived a great power building a formidable industrialized military the Soviet Union was effectively alone and surrounded by perceived enemies The quest for security would bring Soviet Communism to a shocking and improbable pact with Nazi Germany But that bargain would not unfold as envisioned The lives of Stalin and Hitler and the fates of their respective dictatorships drew ever closer to collision as the world hung in the balance Stalin Waiting for Hitler 1929-1941 is a history of the world during the build up to its most fateful hour from the vantage point of Stalin's seat of power It is a landmark achievement in the annals of historical scholarship and in the art of biography **Stalin** Isaac Deutscher, 1979 *Stalin* Stephen Kotkin, 2015-10-13 In his biography of Stalin Kotkin rejects the inherited wisdom about Stalin's psychological makeup showing us instead how Stalin's near paranoia was fundamentally political and closely tracks the Bolshevik revolution's structural paranoia the predicament of a Communist regime in an overwhelmingly capitalist world surrounded and penetrated by enemies At the same time Kotkin posits the impossibility of understanding Stalin's momentous decisions outside of the context of the history of imperial Russia **The Life of Joseph Stalin** Joseph McCabe, 2013-10 This is a new release of the original 1944 edition **Stalin** Simon Sebag Montefiore, 2007-12-18 NATIONAL BESTSELLER This widely acclaimed biography of a Soviet dictator and his entourage during the terrifying decades of his supreme power transforms our understanding of the Marxist leader and Russian tsar From the bestselling author of *The Romanovs* The first intimate portrait of a man who had more lives on his conscience than Hitler Disturbing and perplexing *The New York Times* Book Review Based on groundbreaking research Simon Sebag Montefiore reveals the fear and betrayal privilege and debauchery family life and murderous cruelty of this secret world Written with bracing narrative verve this feat of scholarly research has become a classic of modern history writing Showing how Stalin's triumphs and crimes were the product of his fanatical Marxism and his gifted but flawed character this is an intimate portrait of a man as complicated and human as he was brutal and chilling

The Enigmatic Realm of **Stalin A Biography**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Stalin A Biography** a literary masterpiece penned by way of a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those who partake in its reading experience.
