a year He sought to explore the effects of deep solitude on the body and mind and to find the spiritual answers he d been
seeking all his life With only a cat and his thoughts as companions he wrestled with inner storms while the wild forces of
nature raged around him The physical challenges were immense but the struggles of mind and spirit pushed him even further

is also a philosophical meditation on the tensions between nature and technology isolation and society With humor and brutal

that arise once we strip away our distractions He describes the enormous Patagonia wilderness with poetic attention
