Cann, 2026-03-10 A provocative rethinking of the intersection of death technology and disability for a better life We are all cyborgs relying on technology whether it's Alexa a pacemaker or a titanium knee for our quotidian existence In our deep connection to a technological world from robots to augmented and virtual realities metaverses and gaming Candi Cann sees an opportunity and good reason to question our ideas about accessibility and inclusion In *augmented* she asks us to reconsider traditional notions of biology and death Having relied on hearing aids from the age of four Cann uses her experience to challenge readers to reconsider their assumptions about technologies and their role in life and death She also focuses on what it means that most of us are living longer with the intervention of medical technologies and how a better understanding of our relationship to technology will grant us greater control as we age Drawing on her life experience in Asia the author explains how cultural and religious views of machines and artificial intelligence vary globally in particular how a Western fear of machines contrasts with an animistic worldview that can see machines as conduits of care for others embedding spiritual possibilities *All of Me (An Opposites Attract, Billionaire Romance)* K E Osborn, 101-01-01 Sometimes you have to give all or nothing Aiden O Connell exonerated determined steadfast and brokenhearted I tried to stand by him I failed After the attack my mind altered I couldn't see anything but my ex all men are the same Our love now gone Everything is harder His father totally out of control I have signs of PTSD and an unexpected death makes everything change in ways we

couldn't have predicted Life with Aiden was never meant to be easy but now maybe it can move forward for us both

The Healing Season of Pottery Yeon Somin, 2024-10-22 Set for international release this fall this cozy Korean bestseller invites readers into a warm sunlit pottery studio where a burned out young TV broadcast writer begins to heal working the clay piece by piece season by season After breaking down at the office and abruptly quitting her job thirty year old Jungmin holes up in her apartment speaking to no one for days on end When she finally emerges she stumbles upon a pottery studio in her neighborhood and is invited in by the mysterious workshop teacher The smell of clay the light filtering through the plant filled windows the friendly cat and the incredible coffee the students drink awaken her senses and make her feel alive and inspired for the first time in months As the seasons change Jungmin slowly returns to herself and builds a new community with the other members of the studio who are all working through their own pasts at the pottery wheel When the holidays approach and snow piles up on the studio windowsill Jungmin realizes how much she has changed with her hands busy and her mind clear she may be ready to face the memories she's been running from and open her heart For fans of What You Are Looking For Is in the Library and Welcome to the Hyunam dong Bookshop Yeon's charming English language debut is a testament to the joy of slowing down in a fast paced world and an homage to the art of ceramics and the power of friendship Readers won't want to leave the enchanting world of The Healing Season of Pottery after the final page

Arriving Today Christopher Mims, 2021-09-14 Shortlisted for the 2021 Porchlight Business Book Awards Current Events Public Affairs The Wall Street Journal technology columnist reveals the fascinating story behind the misleadingly simple phrase shoppers take for granted Arriving Today in this eye opening investigation into the new rules of online commerce transportation and supply chain management We are at a tipping point in retail history While consumers are profiting from the convenience of instant gratification rapidly advancing technologies are transforming the way goods are transported and displacing workers in ways never before seen In Arriving Today Christopher Mims goes deep far and wide to uncover how a single product from creation to delivery weaves its way from a factory on the other side of the world to our doorstep He analyzes the evolving technologies and management strategies necessary to keep the product moving to fulfill consumers demand for arriving today gratification Mims reveals a world where the only thing moving faster than goods in an Amazon warehouse is the rate at which an entire industry is being gutted and rebuilt by innovation and mass shifts in human labor practices He goes behind the scenes to uncover the paradoxes in this shift into the world's busiest port the cabin of an 18 wheeler and Amazon's automated warehouses to explore how the promise of arriving today is fulfilled through a balletic dance between humans and machines The scope of such large scale innovation and expended energy is equal parts inspiring enlightening and horrifying As he offers a glimpse of our future Mims asks us to consider the system's vulnerability and its resilience and who shoulders the burden as we hurtle toward a fully automated system and what it will mean when we are there
