Lecture Notes In Macroeconomics

Harold R. Williams

Lecture Notes In Macroeconomics:

Lecture Notes on Macroeconomics John C. Driscoll, 2009 These are lecture notes for a first year graduate course on macroeconomics I taught at Brown University from 1995 to 2002 The notes cover the links between money and prices in the long run nominal rigidities and economic fluctuations macroeconomic policy investment and unemployment and coordination failure *Lectures On Dynamic Macroeconomics: Methods And Applications* Chetan Dave, Marco Maria Sorge, 2025-05-27 This book provides an introduction to the study of dynamic general equilibrium economic models time can either be modelled in a discrete or continuous fashion and the environment may be either deterministic or stochastic this generality accommodates both business cycle and economic growth modelling The purpose of the book is to teach first the tools employed in modern macroeconomic theory and second the topics most often encountered in macroeconomic debate While the focus of the textbook is on macroeconomic modelling the tools that are employed can also be applied to other fields in economics for example natural resource and environmental economics and industrial organization Throughout the text the reader is exposed to both methodology and applications the scope and reach of a reader's own modelling is of course entirely a function of her own ingenuity with economic questions of interest Macroeconomic Theory Michael Wickens, Mike Wickens, 2011 And unemployment Addresses questions raised by the recent financial crisis Web based exercises with answers Extensive mathematical appendix for at a glance easy reference *Macroeconomic Theory* Michael Wickens, 2012-03-12 The definitive graduate textbook on modern macroeconomics Macroeconomic Theory is the most up to date graduate level macroeconomics textbook available today This revised second edition emphasizes the general equilibrium character of macroeconomics to explain effects across the whole economy while taking into account recent research in the field It is the perfect resource for students and researchers seeking coverage of the most current developments in macroeconomics Michael Wickens lays out the core ideas of modern macroeconomics and its links with finance He presents the simplest general equilibrium macroeconomic model for a closed economy and then gradually develops a comprehensive model of the open economy Every important topic is covered including growth business cycles fiscal policy taxation and debt finance current account sustainability and exchange rate determination There is also an up to date account of monetary policy through inflation targeting Wickens addresses the interrelationships between macroeconomics and modern finance and shows how they affect stock bond and foreign exchange markets In this edition he also examines issues raised by the most recent financial crisis and two new chapters explore banks financial intermediation and unconventional monetary policy as well as modern theories of unemployment There is new material in most other chapters including macrofinance models and inflation targeting when there are supply shocks While the mathematics in the book is rigorous the fundamental concepts presented make the text self contained and easy to use Accessible comprehensive and wide ranging Macroeconomic Theory is the standard book on the subject for students and economists The most up to date graduate macroeconomics

textbook available today General equilibrium macroeconomics and the latest advances covered fully and completely Two new chapters investigate banking and monetary policy and unemployment Addresses questions raised by the recent financial crisis Web based exercises with answers Extensive mathematical appendix for at a glance easy reference This book has been adopted as a textbook at the following universities American University Bentley College Brandeis University Brigham Young University California Lutheran University California State University Sacramento Cardiff University Carleton University Colorado College Fordham University London Metropolitan University New York University Northeastern University Ohio University Main Campus San Diego State University St Cloud State University State University Of New York Amherst Campus State University Of New York Buffalo North Campus Temple University Main Texas Tech University University of Alberta University Of Notre Dame University Of Ottawa University Of Pittsburgh University Of South Florida Tampa University Of Tennessee University Of Texas At Dallas University Of Washington University of Western Ontario Wesleyan University Western Nevada Community College
