Take It Easy, Vol 1 Talks on Zen Buddhism Osho, 2023-03-07 Religion is the vast sky of existence Reason is a tiny human phenomenon The reason has to be lost has to be dropped Only by going beyond the mind does one start understanding what is That's the radical change No philosophy can bring that radical change only religion Religion is non philosophic anti philosophic and Zen is the purest form of religion Zen is the very essence of religion Hence it is irrational it is absurd If you try to understand it logically you will be bewildered It can only be understood illogically It has to be approached in deep sympathy and love YOU CANNOT approach Zen through empirical scientific objective concepts They all have to be dropped It is a heart phenomenon You have to feel it rather than think it You have to BE it to know it Being is

knowing And there is no other knowing **Zarathustra: A God That Can Dance** Osho,2023-03-08 FRIEDRICH NIETZSCHE is perhaps the greatest philosopher the world has known He is also great in another dimension which many philosophers are simply unaware of he is a born mystic His philosophy is not only of the mind but is rooted deep in the heart and some roots even reach to his very being The only thing unfortunate about him is that he was born in the West hence he could never come across any mystery school He contemplated deeply but he was absolutely unaware about meditation His thoughts sometimes have the depth of a meditator sometimes the flight of a Gautam Buddha but these things seem to have happened spontaneously to him **Zen and the Art of Living** Osho,2009 **Compassion** Osho,2010-04-01 In Compassion The Ultimate Flowering of Love one of the greatest spiritual teachers of the twentieth century explores how to empathize with others and ourselves Examining the nature of compassion from a radically different perspective Osho reveals that passion lies at the root of the word and then proceeds to challenge assumptions about what compassion really is Many so called acts of compassion he says are tainted by a subtle sense of self importance and desire for recognition Others are based in the desire not really to help others but to force them to change Using stories from the lives of Jesus and Buddha and the world of Zen Osho shows how the path to authentic compassion arises from within beginning with a deep acceptance and love of oneself Only then says Osho does compassion flower into a healing force rooted in the unconditional acceptance of the other as he or she is Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world **The Book of the Books** Osho,1982 **The Hidden Splendor** Osho,2009 Discovering Your Inner Beauty This book is a pilgrimage in search of that indefinable something that all of us at some time or other in our lives feel is missing what Osho describes as our hidden splendor You go on missing something something that you had known but you have forgotten a faded memory a lost remembrance And the gap is not only a gap it is a wound It hurts because you had brought something with your birth into the world and you have lost it somewhere And it seems impossible to find it in this crowded universe But unless it happens your life has been in vain a misery a suffering a futile longing a meaningless desire a thirst that you know cannot be quenched Osho *This Very Body* Osho,2006 Singing and dancing all is the voice of truth Wide is the heaven of boundless Samadhi Radiant the full moon of the fourfold wisdom What remains to be sought Nirvana is clear before him This very place the Lotus paradise This very body the Buddha Remember the word this This very place the Lotus paradise And once you have known your source wherever you are you are in the Lotus paradise This very place the Lotus paradise And this very body the Buddha And whatsoever you do whatsoever without any conditions is the expression of truth **Life, Love, Laughter** Osho,2009-06-09 In Life Love Laughter

Celebrating Your Existence one of the twentieth century s greatest spiritual teachers shares how humor and wisdom strengthens our lives In this collection of reflections Osho s encouraging and loving stories go far beyond the usual chicken soup fare Life Love Laughter establishes a new genre of introspective text stripped of all platitudes and clich s and absolutely in tune with the realities of the twenty first century In this artful work Osho mixes entertainment and inspiration ancient Zen stories and contemporary jokes to help us to find love laughter and ultimately happiness Featuring an original talk by Osho on DVD you ll experience his direct insight and wit straight from the source Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

In Love with Life Osho,2015-01-13 In his preface to Ecce Homo Friedrich Nietzsche says this With Thus Spoke Zarathustra I have given mankind the greatest present that has ever been made to it so far This book with a voice bridging centuries is not only the highest book there is the book that is truly characterized by the air of the heights the whole fact of man lies beneath it at a tremendous distance it is also the deepest born out of the innermost wealth of truth an inexhaustible well to which no pail descends without coming up again filled with gold and goodness Perhaps only a contemporary mystic like Osho could truly understand what Nietzsche meant by this statement In Love with Life shares Osho s understanding of both Nietzsche the man and of his seminal work with extraordinary clarity and relevance to readers in the 21st century Ten chapters have been selected from a series of 43 talks given by Osho first published as two volumes Zarathustra A God that Can Dance and Zarathustra The Laughing Prophet Here Nietzsche is rescued from any remaining taint brought on by the Nazi misunderstanding and appropriation of his work and we also learn much about the mysterious and revolutionary Persian mystic Zarathustra Zoroaster whom Nietzsche chose as a spokesperson The result is an enchanting journey through a world where life is celebrated not renounced and where timeless truths prevail over the lies and distortions that continue to cripple our efforts to become healthy and whole

Destiny, Freedom, and the Soul Osho,2010-04-13 One of the greatest spiritual teachers of the twentieth century shares his philosophy on self discovery free will and the search for a place and purpose in life I myself am a question I know not who I am What to do Where to go Osho Destiny Freedom and the Soul What Is the Meaning of Life explores deeply human questions such as Is there really such a thing as soul and if so what is it Where does the concept of karma fit in Does my life have a special meaning or purpose Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990

the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world *The Beauty of the Human Soul* Osho,2016-05-24 The Beauty of the Human Soul continues the AUTHENTIC LIVING series by Osho with talks by the contemporary mystic during his stay in the United States All of the Osho books are created from his extemporaneous talks and in this volume reflect the intimate setting in which they were given with small audiences of those gathered in the Oregon commune around him Everything is on the table belief in God the meaning of compassion what happens when we die In sharing stories from his own life bringing new insights to old parables and challenging his listeners to examine their own conscious and unconscious beliefs he begins to create a new and more authentic narrative about what we human beings are doing on this planet and why we are here The entire Authentic Living series is a manifesto of the priceless gift of individuality of both the freedom and the responsibility that comes with living life according to your own light free from fixed concepts and ideologies given by others whether that be parents teachers priests or politicians The challenge is to take nothing for granted leave no sacred cow unexamined And to take the courage to step into the unknown with no idea of what is going to happen with great creativity sensitivity and awareness but with no fixed ideology Osho says You have to go through a transformation and that only you can do Except you nobody can reach there And this is the beauty of the human soul that it is absolutely unavailable to anybody Your center is so protected by existence that nobody can even touch it

The Power of Love Osho,2016-07-19 One of the most important life events is falling in love yet we never learn about it in school Societies and religions force us into models and thought forms that are often in opposition to an organic model of love which is instead institutionalised by marriage religious affiliations and nationalism This results in love that is for most people a painful challenge in one form or another throughout life In these modern days where the focus shifts more and more to realising one s individual potential Osho helps us to direct our search for love by widening our view showing us that love has many manifestations and is not limited to the other One manifestation of love is meditation a life changing experience that allows the flowering of real love within oneself and toward others The Osho Life Essentials series focuses on the most important questions in the life of the individual Each volume contains timeless yet contemporary investigations and discussions into questions vital to our personal search for meaning and purpose The Osho Life Essentials series focuses on questions specific to our inner life and quality of existence for example is it possible to have an authentic spirituality without a belief in God What is meditation and how does it work What can I do as an individual to make the world a better place

And Now and Here Osho,2018-12-10 All our lives we are running What are we running from What is the fear The fear is that on the one hand we are unable to live fully and on the other hand the fear of death is imminent present Both things are interconnected then what is the answer Osho Most of us look for security in our relationships and in our choice of living and working conditions Underlying this search for security is a deep instinctive fear of death which continually colours our lives and drives our focus outward toward survival But we also have a longing to turn inward to relax deeply within ourselves and

experience the sense of freedom and expansion this brings With this book the reader can start an exploration of his or her inner world Osho debunks the myths and misunderstandings around death and invites us to experience our eternal inner space that is now and here *Gold Nuggets* Osho,2010-02-01 Existence is a constant reminder according to Osho one just needs to be sensitive and alert to pick up the messages The selected quotes in one of Osho s most accessible books create an urgency very much in tune with a growing worldwide awareness that everything is not right with humanity and our beautiful planet Earth These powerful meditations cover a wide range of subjects including love death friendship and hate together they remind us that we have only one moment in our hands and that we must live it or leave it unlived **Innocence, Knowledge, and Wonder** Osho,2011-05-10 One of the greatest spiritual teachers of the twentieth century encourages you to embrace your childlike curiosity and reconnect it to your adult sensibilities Innocence Knowledge and Wonder What Happened to the Sense of Wonder I Felt as a Child looks to each person s last state of innocence childhood to recover the ability to truly be curious Osho discusses why it is important to look to our inner child and how it can help you understand the person you have become Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world *Love Letters to Life* Osho,2016-12-13 In the age of Facebook Twitter WhatsApp and email personal letters seem somehow out of date or at least far from most people s everyday experience This book is a rare and unique collection of letters personally written by Osho to participants from his early meditation events These are not letters to people and their personalities these are letters to our souls Osho addresses essential issues and concerns that arise on the path of meditation and self discovery The letters are encouragements to continue the process of meditation and address subjects like Self Acceptance Wisdom Consciousness The Quest for Life A Life of Freedom Earth Is Our Home Dropping Fear Dealing with Anger Rebellion and many more in a direct and penetratingly personal way Osho explains this about the value of writing letters If I write anything I write letters because a letter is as good as something that is spoken It is addressed I have not written anything except letters because to me they are a manner of speaking The other is always there before me when I write a letter The OSHO works consist almost exclusively of the spoken word addressed directly to individual people or larger audiences These talks were recorded and then transcribed and published as books This book represents one of the rare exceptions in the collected works of Osho in which his written personal letters are published Each one of these letters is like an condensed Osho Talk in haiku form He would meet with these correspondents time and again at his meditation camps or while staying in their homes This volume is a selection of his replies to their letters queries and calls for help His words are intimate incisive poetic playful and loving His

encouragement to his correspondents to keep going on their chosen path of meditation and awareness while living loving and working in the ordinary world to keep their flame of commitment burning brightly when he is not physically present can inspire whomever opens this book **Keys to a New Life** Osho,2016 *The Path of Love* Osho,2014-06-10 Kabir is a 15th century Indian mystic Born a lower caste weaver Kabir opposed superstition empty ritualism and bigotry His teachings include scathing attacks against Brahmanical pride caste prejudice and the very concept of untouchability as well as exposing the dogmatism and bigotry he perceived around him Unusually even for his time he was embraced by disciples who had been raised in both Hindu and Muslim traditions who saw in him the embodiment of a life affirmative approach that transcended the narrow dogmas that divide people and set them against one another A poet weaver husband and father Kabir lived his life as a buddha and yet as an ordinary man His poetic songs tell of the ecstasy and the pitfalls on a seeker s journey on the path of love In this book Osho introduces the reader to this extraordinary mystic and his songs bringing both to light in such a way as to show how they are both timeless and utterly relevant to our time The path of love as described by Osho and though the songs of Kabir is a journey that seeks out and celebrates the divine that is hidden in the ordinary the love that becomes not just a feeling one has but ultimately a state of being that one is Each song of the bird and each cloud floating in the sky is something like a message a coded message You have to decode it you have to look deep into it you have to be silent and listen to the message
