**Devil Rising** David Forster Crane, 2026-02-18 In an age defined by technological upheaval and spiritual confusion Devil Rising dares to ask the questions at the heart of humanity s growing unease Does the Antichrist archetype lurk among us In what or in whom does it manifest And most importantly what does it all mean for the future Using multiple sacred interpretive systems ranging from Western astrology to numerology and Human Design David Forster Crane combines his astrological expertise with the power of generative AI to expose shocking patterns of deception and charisma the hallmarks of the Antichrist archetype By employing two independent cutting edge AI platforms Crane asks a series of vital questions that herald a new era of revelation and collective awakening In doing so he exposes how hidden patterns in the charts of public figures can shape global destiny and how the fusion of astrology and AI may redefine truth seeking for generations to come What results is a brilliant tapestry of symbolism science and mysticism that exposes humanity s light and shadow through an entirely new lens At times unsettling surprising and illuminating Crane s mind expanding blend of man and machine opens your eyes and prepares you for the struggle to come Bold visionary and unlike anything written before Devil Rising is more than just a book it is an oracle for the future and a mirror reflecting humanity s deepest truths It is essential reading for an era of unprecedented cosmic change
