3 in The Three of Us trilogy conclusion Excerpt Sam closed the slider behind us as we all retreated back into the room It stood directly before us now the last stop on the tour a California king sized bed extra long and extra wide almost as if it had been intended for three In silence we all stared at it its sheets so crisp and clean its comforter so smooth and neatly applied its three pillows so precisely lined up across its top side This was the place I thought as I ran my fingers over the cloth This was where it would finally happen I turned and caught a glimpse of Ted s face calm and staid as always his thoughts concealed by his ongoing silence He d hardly spoken since I d been here and I wondered what he was thinking There was nothing in his facial expression to give it away Well um I guess that s it Sam mumbled like a museum tour guide who doesn t know how politely to tell the loitering guests to go home You can um You can put your beer down here if you want He took my glass and set it hurriedly down on the nightstand Suddenly he seemed to be in a terrible rush He was folding back the edge of the comforter while simultaneously fluffing the pillows I half expected to see feathers flying And I guess he drew back the edge of the sheet and flattened it with his hand I guess you two should go ahead and get started and then you can um let me know when you re done He hesitated only a second then turned on his heel and began marching purposefully across the big room Wait Sam I called out in alarm my voice echoing off the ceiling like a police siren in a crowded downtown Where are you going Not far not far he assured me turning around in a circle to face us briefly again I ll be right here in the bathroom Take your time He shot us an exaggerated wink vanished into the dark red room and clicked the door shut Slowly deliberately I turned towards Ted He was standing with his arms folded his hand over his mouth as if he were covering up either a frown or a grin I couldn t tell which This isn t exactly what I was expecting I said searching his eyes for some clue that I was right to be bewildered I m sure it wasn t he agreed I looked down at the exposed sheet and caught a glimpse of something pink I peeled it back further recoiling in horror Are those rose petals I squeaked Sam s idea Ted said his lips twitching I stood dumbstruck Here I was on the verge of what I d thought was going to be the greatest night of my life and I didn t have even the slightest desire to get naked Ted cleared his throat audibly Shall we get started He gestured towards the flower filled bed Uh I m not sure I can do this on demand I said This was all just too weird Here s the man here s the bed take one of each and call me if you still feel sick in the morning Sure you can he said clasping his long arms over my backside No I mean I don t think I feel like it right now You will he assured me He swept his hands down over my ass then lifted up my still damp skirt and got underneath Mmmm I purred involuntarily Told ya His fingers were probing the edges of my undies and as he shifted me sideways down onto the bed the bathroom door reappeared within my view Like an anvil on a cartoon character s head the realization hit me so hard and fast I saw stars Maybe Sam wasn t out here but he was in there right there in the bathroom Only twenty feet from me and Ted my other boyfriend was patiently waiting his turn
