Ryu Murakami:

Piercing Ryu Murakami, 2013-09-19 Every night Kawashima Masayuki creeps from his bed and watches over his baby girl's crib while his wife sleeps. But this is no ordinary domestic scene. He has an ice pick in his hand and a barely controllable desire to use it. Deciding to confront his demons, Kawashima sets into motion a chain of events seeming to lead inexorably to murder.

Audition Ryu Murakami, 2010-06-07 The long-awaited translation of the novel behind the cult classic Japanese movie. In this gloriously over-the-top tale, Aoyama, a widower who has lived alone with his son ever since his wife died seven years before, finally decides it is time to remarry. Since Aoyama is a bit rusty when it comes to dating, a filmmaker friend proposes that in order to attract the perfect wife, they do a casting call for a movie they don't intend to produce. As the resumes pile up, only one of the applicants catches Aoyama's attention: Yamasaki Asami, a striking young former ballerina with a mysterious past. Blinded by his instant and total infatuation, Aoyama is too late in discovering that she is a far cry from the innocent young woman he imagines her to be. The novel's fast-paced thriller conclusion doesn't spare the reader as Yamasaki takes off her angelic mask and reveals what lies beneath.

In the Miso Soup 味噌湯, 2003 Tokyo tour guide Kenji takes on Frank, a great white whale of an American tourist, and soon begins to suspect that he might be the serial killer that is terrorizing the city. Full of dark humor and suspense, this book takes readers on a wild ride through the underbelly of Tokyo.

Gender Fluidity in Japanese Arts and Culture Dean Conrad, Sayuri Hirano, 2025-02-23 Japan is often perceived as a land of custom, convention, and conservatism. While much of Japan's population does uphold tradition, the nation also has a history of confronting conformity when it comes to gender representation in the arts. Revealed in the pages of the famous Tosa Nikki through the characters of the Kantai Collection, media mix, and in many more expressions of art and media, the diverse stories of gender fluidity have permeated Japanese culture for centuries. In this volume of critical essays, scholars from around the world bring international perspectives on subjects ranging from 10th-century poetry to 21st-century photography. They examine various facets of Japanese culture, including prose, theater, music, cinema, anime, computer games, and contemporary drag performance. These essays explore the impact of flexible approaches to gender representation in the arts, highlighting the role that artists play in shaping attitudes towards gender in Japanese society.
