meaning of Hindutva Savarkar wrote extensively from analyses of the nineteenth century to studies of antiquity to draw up his histories of Hindus He also turned to a wide range of works from the epic tradition to contemporary social theory and world history as his way of explicating Hindutva and history By examining Savarkar s key writings on history historical methodology and historiography Vinayak Chaturvedi provides an interpretation of the philosophical underpinnings of Hindutva Savarkar s interpretation of Hindutva he demonstrates requires above all grappling with his idea of history
