Stolen Dreams Kari Lemor,2020-04-18 **The Dream Smuggler** Bill Valiontis,2024-01-29 Neon rain slicked the alleyway reflecting the pulsating glow of the omnipresent Somniloquies logos emblazoned on every surface Xander squeezed his paint stained fingers around the worn leather satchel anxiety prickling his skull like static He shouldn't be here hunched in this reeking back alley waiting for a dream dealer in a city where nightmares wore Gucci and REM cycles were commodities Yet here he was a starving artist chased by shadows and creditors alike his only asset a paintbrush dipped in desperation *Stolen Dreams* Maddie Wade,2016-09-29 Nate Jones is unlucky in love He's watched his parents love story play out his entire life and wants that for himself His whole world was rocked when he walks into a hospital room and falls head over heels in love with Skye and Noah Skye Mitchell is a single mother to an exceptional young boy Noah has a unique and terrifying gift which in the hands of the wrong people could risk his life A life that is already under the shadow of a terrible disease All she has ever wanted was her child healthy and to feel cherished by the man she loves Skye and Nate are ready to take a chance on a once in a lifetime love but The Divine Watchers have other plans With bullets flying and people dying the race is on to find Noah before any harm can come to him Will Nate and his team find Noah in time or will his love for Skye get in the way Can Nate and Skye use their intense attraction to get them through the most horrific time of their lives The Book of Stolen Dreams: The Final Battle David Farr,2025-09-11 The stunning conclusion to The Book of Stolen Dreams series from master storyteller David Farr perfect for fans of Katherine Rundell and Philip Pullman After saving the world more times than she can count things are finally starting to feel normal for Rachel Klein But life is never normal for a Keeper of the Key When a famous movie star returns alive and well to Krasnia after weeks lost in the desert everyone is thrilled Everyone except Rachel Something about the actor doesn't feel quite right Then Rachel realises the horrifying truth With both their own lives and the fate of Krasnia at stake Rachel and her brother Robert must return to the Hinterland expose the truth and put an end to tyrant Charles Malstain's evil plans once and for all Praise for The Book of Stolen Dreams A new and important voice for young people Michael Morpurgo Dazzling An instant classic An eye wateringly funny and jaw droppingly fantastical adventure chock a block with rare books airships and penguin shaped hats Ben Miller A wonderful story Gripping and magical Anthony Horowitz Finding Light In The Darkness Derrick Vaught,2023-12-11 Life in the Darkness is a captivating book that delves into the depths of human emotions through a collection of evocative poems Authored by Derrick Vaught this poignant anthology takes readers on an emotional rollercoaster chronicling the highs and lows victories and defeats experienced throughout his transformative journey With raw honesty and introspection Derrick explores various emotions inviting readers to connect with the universal human experience From moments of profound joy to the depths of despair Life in the Darkness offers a compelling exploration of the complexities of life ultimately leaving readers with a renewed sense of empathy and understanding The New Debtors' Prison Christopher B. Maselli,Paul

Lonardo,2019-05-21 Debtors prisons might sound like something out of a Dickens novel but what most Americans do not realize is that they are alive and well in a new and startling form Today more than 20 percent of the prison population is incarcerated for financial reasons such as failing to pay a fine This alarming trend not only affects the poor who are hit particularly hard but also ensnares the millions of self identified middle class people who are struggling to make ends meet All across the country people are being fined and even imprisoned for offenses as small as delinquency on student debt or an unpaid parking ticket However there is an insidious undercurrent to these practices that the average person might not realize Many counties depend on a steady supply of citizens to pay fines and court costs in order to make their budgets Minor vehicle infractions by design can rack up hundreds of dollars in charges that go straight to the city s coffers Combine this with the fact that many middle class people cannot handle an unexpected 400 expense and the general lack of awareness about the risk for being repeatedly jailed for failure to pay court costs probation and even per day charges for being in jail and you get an endless cycle of men and women either in debt or in prison for debt While shocking to some this system makes up today s debtors prisons In *The New Debtors Prison* Christopher Maselli draws from his personal knowledge of the criminal justice system based on his experience on both sides of the prison walls as an attorney as well as a former inmate to take a hard look at our modern prison system that systematically targets the poor and vulnerable of our society in order to fund the prison industrial complex
