Conversations with Marketing Masters Laura Mazur, Louella Miles, 2009-08-11 Conversations with Marketing Masters offers new insights by gathering the collected wisdom of the most influential marketing thinkers of our age each of whom has given a structured interview Covering a wide range of issues and illustrating concepts with cases of success and failure these seminal dialogues offer a rare look at what made each master great and a glimpse of the marketing future The Marketing Masters featured are Philip Kotler David Aaker Jean Claude Larreche Regis McKenna Don Peppers John Quelch Al Ries Martha Rogers Don Schultz Patricia Seybold Jack Trout and Lester Wunderman The conversations are free flowing dialogues in which each personality is allowed to shine through **The Origin of Brands** Al Ries, Laura Ries, 2009-03-17 What Charles Darwin did for biology Al and Laura Ries do for branding In their exciting new book The Origin of Brands the Rieses take Darwin's revolutionary idea of evolution and apply it to the branding process What results is a new and strikingly effective strategy for creating innovative products building a successful brand and in turn achieving business success Here the Rieses explain how changing conditions in the marketplace create endless opportunities to build new brands and accumulate riches But these opportunities cannot be found where most people and most companies look That is in the convergence of existing categories like television and the computer the cellphone and the Internet Instead opportunity lies in

the opposite direction in divergence By following Darwin s brilliant deduction that new species arise from divergence of an existing species the Rieses outline an effective strategy for creating and taking to market an effective brand In *The Origin of Brands* you will learn how to Divide and conquer Exploit divergence Use the theories of survival of the fittest and survival of the second best Harness the power of pruning Using insightful studies of failed convergence products and engaging success stories of products that have achieved worldwide success through divergence the Rieses have written the definitive book on branding *The Origin of Brands* will show you in depth how to build a great brand and will lead you to success in the high stakes world of branding

The 22 Immutable Laws of Marketing in The Asia Al Ries,Jack Trout,Paul Temporal,2003-03-28

War in the Boardroom Al Ries,Laura Ries,2009-10-06 Renowned business gurus Al and Laura Ries give a blow by blow account of the battle between management and marketing and argue that the solution lies not in what we think but in how we think There s a reason why the marketing programs of the auto industry the airline industry and many other industries are not only ineffective but bogged down by chaos and confusion Management minds are not on the same wavelength as marketing minds What makes a good chief executive A person who is highly verbal logical and analytical Typical characteristics of a left brainer What makes a good marketing executive A person who is highly visual intuitive and holistic Typical characteristics of a right brainer These different mind sets often result in conflicting approaches to branding and the Ries thought provoking observations culled from years on the front lines support this conclusion including Management deals in reality Marketing deals in perception Management demands better products Marketing demands different products Management deals in verbal abstractions Marketing deals in visual hammers Using some of the world s most famous brands and products to illustrate their argument the authors convincingly show why some brands succeed Nokia Nintendo and Red Bull while others decline Saturn Sony and Motorola In doing so they sound a clarion call to survive in today s media saturated society managers must understand how to think like marketers and vice versa Featuring the engaging no holds barred writing that readers have come to expect from Al and Laura Ries *War in the Boardroom* offers a fresh look at a perennial problem and provides a game plan for companies that want to break through the deadlock and start reaping the rewards
