G John Berger:

G. John Berger John Berger, 2012-01-01 The 40th anniversary edition of this classic Booker Prize winning novel G. John Berger, 1992-01-08 In this luminous novel winner of Britain's prestigious Booker Prize John Berger relates the story of G a young man forging an energetic sexual career in Europe during the early years of this century With profound compassion Berger explores the hearts and minds of both men and women and what happens during sex to reveal the conditions of the Don Juan's success his essential loneliness the quiet cumulation in each of his sexual experiences of all of those that precede it the tenderness that infuses even the briefest of his encounters and the way women experience their own extraordinariness through their moments with him All of this Berger sets against the turbulent backdrop of Garibaldi and the failed revolution of Milanese workers in 1898 the Boer War and the first flight across the Alps making G a brilliant novel about the search for intimacy in history's private moments *About Looking* John Berger, 1992-01-08 As a novelist art critic and cultural historian Booker Prize winning author John Berger is a writer of dazzling eloquence and arresting insight whose work amounts to a subtle powerful critique of the canons of our civilization In *About Looking* he explores our role as observers to reveal new layers of meaning in what we see How do the animals we look at in zoos remind us of a relationship between man and beast all but lost in the twentieth century What is it about looking at war photographs that doubles their already potent violence How do the nudes of Rodin betray the threats to his authority and potency posed by clay and flesh And how does solitude inform the art of Giacometti In asking these and other questions Berger quietly but fundamentally alters the vision of anyone who reads his work *The Sense of Sight* John Berger, 1993-11-30 With this provocative and infinitely moving collection of essays a preeminent critic of our time responds to the profound questions posed by the visual world For when Booker Prize winning author John Berger writes about Cubism he writes not only of Braque L ger Picasso and Gris but of that incredible moment early in this century when the world converged around a marvelous sense of promise When he looks at the Modigliani he sees a man's infinite love revealed in the elongated lines of the painted figure Ranging from the Renaissance to the conflagration of Hiroshima from the Bosphorus to Manhattan from the woodcarvers of a French village to Goya D rer and Van Gogh and from private experiences of love and of loss to the major political upheavals of our time *The Sense of Sight* encourages us to see with the same breadth courage and moral engagement that its author does G. John Berger, 2014-07-10 A reissued edition of this classic Booker Prize winning novel **The Shape of a Pocket** John Berger, 2009-09-09 From Booker Prize winning author John Berger a collection of essays that explores the relationship of art and artists and includes examinations of the work of Brancusi Degas Michelangelo and Frida Kahlo among others The pocket in question is a small pocket of resistance A pocket is formed when two or more people come together in agreement The resistance is against the inhumanity of the New World Economic Order The people coming together are the reader me and those the essays are about Rembrandt Paleolithic cave painters a Romanian peasant ancient Egyptians an expert in the

loneliness of a certain hotel bedroom dogs at dusk a man in a radio station And unexpectedly our exchanges strengthen each of us in our conviction that what is happening in the world today is wrong and that what is often said about it is a lie I've never written a book with a greater sense of urgency John Berger **Selected Essays of John Berger** John Berger, 2008-12-10 The writing career of Booker Prize winner John Berger poet storyteller playwright and essayist has yielded some of the most original and compelling examinations of art and life of the past half century In this essential volume Geoff Dyer has brought together a rich selection of many of Berger's seminal essays Berger's insights make it impossible to look at a painting watch a film or even visit a zoo in quite the same way again The vast range of subjects he addresses the lean beauty of his prose and the keenness of his anger against injustice move us to view the world with a new lens of awareness Whether he is discussing the singleminded intensity of Picasso's Guernica the parallel violence and alienation in the art of Francis Bacon and Walt Disney or the enigmatic silence of his own mother what binds these pieces throughout is the depth and fury of Berger's passion challenging us to participate to protest and above all to see **History of Huntingdon and Blair counties, Pennsylvania** A.J. Simpson, 1883 **Native Informant** Leo Braudy, 1991 Native Informant is Leo Braudy's first book after his widely acclaimed and award winning history of fame The Frenzy of Renown With a verve that breaks down the boundaries between film literature and popular culture Braudy discusses writers and filmmakers such as Alfred Hitchcock Daniel Defoe Ernst Lubitsch Emile Zola Susan Sontag and Richard Condon His subjects include madness in the eighteenth century the Hollywood blacklist westerns and pornography Throughout this lively and insightful collection his perspective is not that of the critic as a detached voice of professional authority but as a member of a particular culture a native informant whose gaze looks simultaneously inward and outward subjective but self aware Like the wide ranging Frenzy of Renown Native Informant will appeal to specialist and interested reader alike Power Misses David E. James, 1996-12-17 David James insists that popular resistance to domination by the culture industry must intervene at the point of production rather than consumption In its most resolute instances from the poetry of William Blake to the British Miners Campaign Tape Project alternative culture has fused with radical politics Authoritatively mapping the terrain of cultural resistance under capitalism James examines the material contradictions and the utopian potentials articulated in John Berger's fiction Dada rock music the films of Andy Warhol and Jonas Mekas and the poetry of punk *Keeping a Rendezvous* John Berger, 1992-10-27 When he stands before Giorgione's La Tempesta Booker Prize winning author John Berger sees not only the painting but our whole notion of time sweeping us away from a lost Eden A photograph of a gravely joyful crowd gathered on a Prague street in November 1989 provokes reflection on the meaning of democracy and the reunion of a people with long banished hopes and dreams With the luminous essays in *Keeping a Rendezvous* we are given to see the world as Berger sees it to explore themes suggested by the work of Jackson Pollock or J M W Turner to contemplate the wonder of Paris Rendezvous are manifold between critic and art artist and subject subject and the unknown But most

significant are the rendezvous between author and reader as we discover our perceptions informed by Berger's eloquence and courageous moral imagination

To Tell a Story John Berger, Susan Sontag, 2026-03-12 Despite their status as intellectual giants of the twentieth century John Berger and Susan Sontag's artistic collaboration and intense friendship remains virtually unknown Published for the first time To Tell a Story offers a glimpse into their shared history that spanned nearly a quarter century From sources such as their eponymous film broadcast rare personal letters and archival recordings the composite fragments build a portrait of a relationship that was often lively and challenging sometimes trivial and always affectionate Berger and Sontag's voices echo throughout these pages riffing off the other as they grapple with their respective concerns Above all their conversations reveal a deep reciprocal admiration and an exchange of ideas about storytelling the self and society that informed their own work

King John Berger, 2012-11-07 In this book you will be led to a place you haven't been from where few stories come You will be led by King a dog or is he a dog to a wasteland beside the highway called Saint Val ry Here at the end of the twentieth century among smashed trucks old boilers and broken washing machines live Liberto Malak Jack Corinna Danny Anna Joachim Saul Alfonso and Vico and Vica Listen to King's voice as he tells a different kind of story twenty four hours pass and lives are lived It is good to have survived another winter for now it is spring when the nights though cold are no longer harsh enough to kill The wet season is over and with it the hopelessness of damp Today the sun will shine of what else will the day be made King is at once a furious homage to the homeless and a lyrical meditation on language and experience The bitter yet celebratory prose speaks to us all

And Our Faces, My Heart, Brief as Photos John

Berger, 1992-01-08 Booker Prize winning author John Berger reveals the ties between love and absence the ways poetry endows language with the assurance of prayer and the tensions between the forward movement of sexuality and the steady backward tug of time He recreates the mysterious forces at work in a Rembrandt painting transcribes the sensorial experience of viewing lilacs at dusk and explores the meaning of home to early man and to the hundreds of thousands of displaced people in our cities today And Our Faces My Heart Brief as Photos is a seamless fusion of the political and personal

Another Way of Telling John Berger, 1995-03-07 There are no photographs which can be denied All photographs have the status of fact What is to be examined is in what way photography can and cannot give meaning to facts With these words two of our most thoughtful and eloquent interrogators of the visual offer a singular meditation on the ambiguities of what is seemingly our straightforward art form As constructed by John Berger and the renowned Swiss photographer Jean Mohr that theory includes images as well as words not only analysis but anecdote and memoir Another Way of Telling explores the tension between the photographer and the photographed between the picture and its viewers between the filmed moment and the memories that it so resembles Combining the moral vision of the critic and the practical engagement of the photographer Berger and Mohr have produced a work that expands the frontiers of criticism first charged by Walter Benjamin Roland Barthes and Susan Sontag

A Fortunate Man John Berger, 1997-03-25 In this quietly revolutionary work of social observation and medical philosophy Booker Prize winning writer John Berger and the photographer Jean Mohr train their gaze on an English country doctor and find a universal man one who has taken it upon himself to recognize his patient's humanity when illness and the fear of death have made them unrecognizable to themselves In the impoverished rural community in which he works John Sassall tends the maimed the dying and the lonely He is not only the dispenser of cures but the repository of memories And as Berger and Mohr follow Sassall about his rounds they produce a book whose careful detail broadens into a meditation on the value we assign a human life First published thirty years ago A Fortunate Man remains moving and deeply relevant no other book has offered such a close and passionate investigation of the roles doctors play in their society In contemporary letters John Berger seems to me peerless not since Lawrence has there been a writer who offers such attentiveness to the sensual world with responsiveness to the imperatives of conscience Susan Sontag Official
