*Count Santa Claus* Michael A. Adashefski,2014-10-03 We've often heard the saying opposites attract and sometimes their meeting turns out very well. But what would happen if two extreme opposites met? What would the outcome be? This story is about the meeting of two extreme opposites meeting for the first time: Santa Claus meets Count Dracula. What would happen if these famous people met on a freezing Christmas Eve? What if Count Dracula had a plan to take over Christmas and turn it into something more to his liking? Would Santa beat his darkest foe or would Dracula win and turn the world into a planet full of vampires? And what role does the famous drummer Johnny Vatos play in all this? The answers lie in this wonderful tale about the meeting of these two opposites. Who do you think will win this battle to save Christmas? *Echoes Screaming in the Night*

William Mitchell Ross,2015-04-21 On Halloween night in Monroe, Wisconsin, four teenagers looking for a scary adventure were double-dared into visiting a haunted pioneer cemetery on a farm place outside the city limits. Summing up all the courage they could muster, the teens made their way to the farm and touched the hand of the weeping angel located at the center of the grave markers. Mission accomplished. But the baying of a farm dog got their attention that led them to an unimaginable horror. The police were called in to investigate. Was the death of a single young woman an accident or murder? The subsequent police investigation led by Detective Samantha Gates and Captain Sigenthaler took them into a maze of unanswered questions and madness spanning fifteen years. Would the mystery be solved? *Make: Volume 92*
