The New Biographical History of Baseball Donald Dewey, Nicholas Acocella, 2002-01-01 In a special collector's edition format this revised edition of *The New Biographical History of Baseball* presents updated statistical research to create the most accurate picture possible of the on-field accomplishments of players from earlier eras. It offers original summaries of the personalities and contributions of over 1,500 players, managers, owners, front office executives, journalists, and ordinary fans who developed the great American game into a national pastime. Each individual included has had an impact on the sport as mass entertainment or as a cultural phenomenon and as an athletic art or a business enterprise. Also included are first-time entries on players like Sammy Sosa and Albert Belle and expanded entries for such players as Mark McGwire and Barry Bonds. This special resource for fans of baseball reflects the breakout talent and enduring fan favorites from all eras of the historic game.

Gib Bodet, Major League Scout Gib Bodet, P.J. Dragseth, 2014-01-03 Gib Bodet's 70-year love affair with baseball dates from his childhood in Fair Lawn, New Jersey, and it has carried him through parts of six decades as a scout with the Red Sox, Tigers, Expos, Angels, Royals, and Dodgers. He played ball in high school and the military coached youth and legion teams and finally made the game his profession at age 38. In this memoir, Bodet recalls humorous stories about people he worked for and with: Peter O'Malley, Walter Shannon, Gene Autry, John Schuerholz, Al Campanis, and long-time friend Tom Lasorda among them, and describes his role in drafting and signing such players as Mike Piazza, Eric Karros, Todd Hollandsworth, Paul Konerko, Matt Kemp, Clayton Kershaw, and Chad Billingsley.

Comeback Dave Dravecky, Tim Stafford, 2017-03-07 An MLB All-Star's true story of losing an arm to cancer and finding strength through his faith gives new depth and meaning to the word comeback. *The New York Times*. In one of the most memorable moments of Major League Baseball, Dave Dravecky of the San Francisco Giants pitched a winning game less than a year after undergoing cancer surgery on his pitching arm. But his comeback was short-lived. Just five days after his winning game, Dravecky broke his arm and would later lose it entirely as the cancer returned. Dravecky's true comeback would come later as a bestselling author and inspirational speaker offering strength, hope, and comfort inspired by Christian teachings and his own experience with suffering and loss. This book recounts the thrilling details of Dravecky's two comebacks: from his early baseball career and brief return to the pitching mound to his ultimate triumph over adversity through unflinching determination and deep faith. Dave Dravecky was young, popular, celebrated, and at the height of his powers when life threw him a curveball he never could have imagined. There is an inspirational tone to the book as well as the wit and flavor common to baseball when Mr. Dravecky gives anecdotes about teammates and managers and offers a few insider's tips about the sport. *The New York Times*. This is first a baseball book; details of his career are provided; the description of the comeback victory over the Reds is particularly effective. The other story here is one of a battle with cancer. It will be excellent reading for others battling the disease. Dravecky finds much of his strength in his religious beliefs, and the work is also a testimonial to that faith. *Library Journal*.
