

A *Powerless* story

A decorative key with a pink ribbon and falling petals. The key has a highly ornate, silver-colored headpiece with intricate scrollwork and a central green gemstone. A vibrant pink ribbon is wrapped around the shaft of the key, looping and swirling. Several pink petals are scattered around the key, some appearing to be falling. The background is white, framed by green fern-like leaves and pink blossoms at the top and sides.

**Poets & Writers**, 1999     The Second Chance Year Melissa Wiesner, 2023-12-05 I could not put this one down Just a truly fun and satisfying read from start to finish ANITA KELLY A n adorable swoony beautifully written romance that I devoured in a day Full of warmth heart and food I was completely charmed by Sadie and Jacob and cried all the happy tears I didn t want it to end CATHERINE WALSH One disastrous year One magical wish One chance to change the past In one fell swoop Sadie Thatcher managed to lose her job her apartment and her boyfriend So when a fortune teller offers her one wish Sadie longs to redo her awful year More than a little sceptical she makes her wish opens her eyes and nothing has changed And then in perhaps her worst move yet she kisses her brother s best friend Jacob When Sadie wakes up the next morning she s in her former apartment with her former boyfriend and her former boss is expecting her at work She realises it s January 1 of last year As Sadie navigates her second chance year she begins to see the red flags she missed in both her relationship and her career Plus she keeps running into Jacob and she can t stop thinking about their kiss the one he has no idea ever happened Suddenly Sadie begins to wonder if her only mistake was wishing for a second chance Early readers are LOVING The Second Chance Year OH MY GOD this was so cute I read this book in one sitting and I don t regret a thing reader review This is the 5 star romance read I have been WAITING ON If you re looking for a heartwarming story with romance some found family and a FMC who breaks the mold and learns to embrace herself and her journey this is the one for you reader review I was hooked from the first page and thought the storyline and writing was incredible Melissa Wiesner is one to watch reader review What a lovely surprise of a book that I positively inhaled I never wanted to put it down reader review

**Sweet Tempo** James P. Kain, 2009-05-11 From the Prologue of Sweet Tempo Call me Stephen Please Mom and dad call me Little Stevie an embarrassment made worse by the fact that there is no Big Stevie in our family unless you consider Uncle Steve who we haven t seen since my first communion My dad Leopold by the way named me after one of his army buddies who died in the Pacific campaign of WWII I think he wanted me to be Little Stevie reincarnated or something I often disappointed him It s just as well that he didn t call me Little Leo But it s having the Little attached to me all my life that gave me twitches I always wondered when I would grow up I thought it might happen when I first went to college but my mom s letters and phone calls spread the name through all the dorms and hallways It took a major decision the only one at that for me to step out of Little Stevie s pantaloons and into gabardine trousers of adulthood although I really don t know what gabardine is for I still wear denim When I decided that I had enough of college and wanted to travel they surprised me by not arguing At that point I wasn t sure if I had made the decision or they had but once they set me free I was cornered into going Decisions do not come easily to Little Stevie so it was with great ironies and twists of fate that this decision would lead me to this My trip began as an adventure and this book a travelogue But as Providence would have it it soon became a romance and then some twisty sort of unromance then I wish it never happened a tragedy The reader I hope sees a comedy

in tragic guise the irony is there to taste Much that is written here need not have been written my preference is that none of it occurred At this point much seems like a nightmare within a dream and in fact the dreams I had while on this trip were as real as sin You ll see There are times that I wonder if it happened at all But the story here needs to be told if only to honor the memory of love lost Perhaps the story will entertain but it also serves as therapy and treatment for the tragic minded and chronically romantic I wonder now if this is what it means to grow up
