The Cost of Free Shipping Jake Alimahomed-Wilson, Ellen Reese, 2020-09-20 Winner of the UALE Book Award 2021

Amazon is the most powerful corporation on the planet and its CEO Jeff Bezos has become the richest person in history and one of the few people to profit from a global pandemic Its dominance has reshaped the global economy itself we live in the age of Amazon Capitalism One click instant consumerism and its immense variety of products has made Amazon a worldwide household name with over 60% of US households subscribing to Amazon Prime In turn these subscribers are surveilled by the corporation Amazon is also one of the world s largest logistics companies resulting in weakened unions and lowered labor standards The company has also become the largest provider of cloud computing services and home surveillance systems not to mention the ubiquitous Alexa With cutting edge analyses this book looks at the many dark facets of the corporation including automation surveillance tech work workers struggles algorithmic challenges the disruption of local democracy and much more The Cost of Free Shipping shows how Amazon represents a fundamental shift in global capitalism that we should name interrogate and be primed to resist

**Buy Now** Emily West, 2022-02-22 How Amazon combined branding and relationship marketing with massive distribution infrastructure to become the ultimate service brand in the digital economy Amazon is ubiquitous in our daily lives we stream movies and television on Amazon Prime Video converse with Alexa receive messages on our smartphone about the progress of our latest orders In Buy Now Emily West examines Amazon s consumer facing services to investigate how Amazon as a brand grew so quickly and inserted itself into so many aspects of our lives even as it faded into the background becoming a sort of infrastructure that can be taken for granted Amazon promotes the comfort and care of its customers but not its workers to become the ultimate service brand in the digital economy West shows how Amazon has cultivated personalized intimate relationships with consumers that normalize its outsized influence on our selves and our communities She describes the brand s focus on speedy and seamless ecommerce delivery represented in the materiality of the branded brown box the positioning of its book retailing media streaming and smart speakers as services rather than sales and the brand s image control strategies West considers why pushback against Amazon s ubiquity and market power has come mainly from among Amazon s workers rather than its customers or competitors arguing that Amazon s brand logic fragments consumers as a political bloc West s innovative account the first to examine Amazon from a critical media studies perspective offers a cautionary cultural study of bigness in today s economy
