Now in its ninth edition *Selling Rights* has firmly established itself as the leading guide to all aspects of rights sales and co-publications throughout the world. Covering the full range of potential rights from English language territorial rights through to serial rights, permissions rights for the reading impaired, translation rights, dramatization and documentary rights, electronic and multimedia rights, this book constitutes a comprehensive introduction and companion to the topic. Besides individual types of rights, topics covered also include book fairs, Open Access, the ongoing impact of new electronic hardware and the rights implications of acquisitions, mergers and disposals. This fully updated edition includes New IP legislation and proposed legislation in the UK and the USA, including changes regarding TDM and the post-Brexit implications of EU directives and exhaustion of rights. The implications of artificial intelligence (AI) for author contracts and licensing contracts. The impact of the pandemic and its aftermath on the promotion and sale of rights. Coverage of censorship in countries around the world, especially in relation to LGBTQI content, as well as political situations which have impacted on rights trading. The impact of streaming services on opportunities for licensing television and film rights. Major revisions to the chapters on audio and video recording rights, the internet and publishing, and electronic publishing and digital licensing. *Selling Rights* is an essential reference tool and an accessible and illuminating guide to current and future issues for rights professionals and students of publishing.

Threads of Gold Christine Pope, 2015-09-08 When the price of magic is everything you hold dear, how much are you willing to pay? Annora Kelsden's father has always been a braggart, but when he boasts that she can spin straw into gold, his words reach the wrong ears. Suddenly, Annora finds herself imprisoned in the king's tower with three days to accomplish the impossible or face execution. When a mysterious stranger appears offering his help, Annora has no choice but to accept. But magic always comes with a price, and each night the stranger's demands grow more costly. What begins as salvation becomes a trap with no escape, where royal greed threatens to consume everything she loves. Even when unexpected love blooms in the darkest of circumstances, Annora discovers that some bargains can't be broken and some debts can only be paid with the one thing she can't bear to give up. As her final payment comes due, she must find the strength to outwit the very magic that saved her or lose the most precious thing of all. In this kingdom where gold matters more than lives, will cleverness triumph over sorcery, or will Annora discover that some prices are too high to pay? **KEYWORDS**
