[You Are Not Special](#) David McCullough,2014-04-22 A profound expansion of David McCullough Jr s popular commencement speech a call to arms against a prevailing narrow conception of success viewed by millions on YouTube You Are Not Special is a love letter to students and parents as well as a guide to a truly fulfilling happy life Children today says David McCullough high school English teacher father of four and son and namesake of the famous historian are being encouraged to sacrifice passionate engagement with life for specious notions of success The intense pressure to excel discourages kids from taking chances failing and learning empathy and self confidence from those failures In You Are Not Special McCullough elaborates on his now famous speech exploring how for what purpose and for whose sake we re raising our kids With wry affectionate humor McCullough takes on hovering parents ineffectual schools professional college prep electronic distractions club sports and generally the manifestations and the applications and consequences of privilege By acknowledging that the world is indifferent to them McCullough takes pressure off of students to be extraordinary achievers and instead exhorts them to roll up their sleeves and do something useful with their advantages

[The Gift of Failure](#) Jessica Lahey,2015-08-11 The New York Times bestselling groundbreaking manifesto on the critical school years when parents must learn to allow their children to experience the disappointment and frustration that occur from life s inevitable problems so that they can grow up to be successful resilient and self reliant adults Modern parenting is defined by an unprecedented level of overprotectiveness parents who rush to school at the whim of a phone call to deliver forgotten assignments who challenge teachers on report card disappointments mastermind children s friendships and interfere on the playing field As teacher and writer Jessica Lahey explains even though these parents see themselves as being highly responsive to their children s well being they aren t giving them the chance to experience failure or the opportunity to learn to solve their own problems Overparenting has the potential to ruin a child s confidence and undermine their education Lahey reminds us Teachers don t just teach reading

writing and arithmetic They teach responsibility organization manners restraint and foresight important life skills children carry with them long after they leave the classroom Providing a path toward solutions Lahey lays out a blueprint with targeted advice for handling homework report cards social dynamics and sports Most importantly she sets forth a plan to help parents learn to step back and embrace their children s failures Hard hitting yet warm and wise *The Gift of Failure* is essential reading for parents educators and psychologists nationwide who want to help children succeed SAT ...
