The Curse of the Good Girl Rachel Simmons,2009-08-25 Bestselling author of *Odd Girl Out* Rachel Simmons exposes the myth of the Good Girl freeing girls from its impossible

standards and encouraging them to embrace their real selves In *The Curse of the Good Girl* bestselling author Rachel Simmons argues that in lionizing the Good Girl we are teaching girls to embrace a version of selfhood that sharply curtails their power and potential Unerringly nice polite modest and selfless the Good Girl is a paradigm so narrowly defined that it is unachievable When girls inevitably fail to live up experiencing conflicts with peers making mistakes in the classroom or on the playing field they are paralyzed by self criticism stunting the growth of vital skills and habits Simmons traces the poisonous impact of Good Girl pressure on development and provides a strategy to reverse the tide At once expository and prescriptive *The Curse of the Good Girl* is a call to arms from a new front in female empowerment Looking to the stories shared by the women and girls who attend her workshops Simmons shows that Good Girl pressure from parents teachers coaches media and peers erects a psychological glass ceiling that begins to enforce its confines in girlhood and extends across the female lifespan The curse of the Good Girl erodes girls ability to know express and manage a complete range of feelings It expects girls to be selfless limiting the expression of their needs It requires modesty depriving the permission to articulate their strengths and goals It diminishes assertive body language quieting voices and weakening handshakes It touches all areas of girls lives and follows many into adulthood limiting their personal and professional potential Since the popularization of the Ophelia phenomenon we have lamented the loss of self esteem in adolescent girls recognizing that while the doors of opportunity are open to twenty first century American girls many lack the confidence to walk through them In *The Curse of the Good Girl* Simmons provides a catalog of tangible lessons in bolstering the self and silencing the curse of the Good Girl At the core of Simmons s radical argument is her belief that the most critical freedom we can win for our daughters is the liberty not only to listen to their inner voice but also to act on it

MY Little LOVE JUDE

LAURÉN,2025-08-26 *My Little Love* by Jude Laur n is a heartwarming tale recounting the unexpected and transformative journey of becoming a devoted pet parent to Buster a mischievous Shih Tzu In this captivating story Laur n shares the incredible 12 year adventure that unfolded with Buster a mere 18 pound ball of fur who left an indelible mark on the author s life and those around them The book discusses the unique moments and cherished memories created with Buster offering readers a glimpse into the profound bond shared with this furry companion Laur n s book celebrates unconditional love as it touches on the complex topics of aging acknowledging the pet parent s realization that their furry friend is no longer a puppy Beyond being a personal memoir *My Little Love* is a valuable guide for fellow pet parents imparting lessons learned and experiences from this extraordinary journey
