**Al-mufeedah** Mogamat Allie Fakier,1996      *Ar-Risaalah Al-Mufeedah* Mogamat Amien Fakier,1995      **Ar-Risaalah Al-mufeedah** ,2015      *Islam* Muhammad Abdul-Rahman,2007-01-01 The 15th volume of a series of authoritative Islamic books entitled *Islam Questions And Answers* The overall series discusses issues relevant to Islam and presents accurate and reliable information based on the true beliefs and practices of the Prophet and his companions *World Religions*      Islam Muhammad Saed Abdul-Rahman,2003-12-01 This book is the second volume of the series designed to teach and familiarize Muslims with various aspects of their religion Subject areas include Islamic history Islamic social laws including marriage divorce contracts and inheritance Islamic finance basic tenets of the faith and Arabic grammar as it relates to the Qur an and Islamic texts *World Religions*      **Al-risaalah al-mufeedah** Mogamat Amien Fakier,1995      **The Concept of Coexistence in Islamic Primary Sources** Ali Shehata Abdou Selim,2015-02-27 The terms coexistence partnership citizenship and globalization all have a profound impact on today s decision makers and their policy formation as well as on individuals While these terms have been widely used all over the world particularly in the West in the construction of identity they have been considered unworthy of a detailed analysis in the context of Muslim identity Some scholars argue that Muslim Christian relations are caught between advocates of homogenization on the one hand and supporters of self affirmation on the other While the former concept favours relativism the latter is seen to encourage fanaticism In addition such scholars claim that the tension between Muslims and Christians is due to a complex history of rivalry and war which has led to the issue of Muslims positive coexistence being elucidated from historical and sociological points of view Given the paucity of literature regarding a faith based study of Muslim coexistence this book elaborates on the theological aspect of Muslims coexistence in non Muslim lands and raises a number of theological questions arguments and counter arguments pertinent to this issue Is it permissible for Muslims to live in a non Muslim country Is it permissible for Muslims to acquire non Muslim citizenship What are the obstacles How do Muslims perceive civic duties in non Muslim countries Are Muslims obliged to fulfil them The book presents a number of scholarly discussions from past and contemporary sources as well as international human rights treaties which stress the significance of the much overlooked factor of context      *Securitising Identity* Ben Rich,2017-12-18 Why has the relationship between the state and the Islamic revivalist movement known commonly as Wahhabism persisted under Saudi rule since 1744 In *Securitising Identity* Ben Rich traces the symbiosis between these two entities across three distinct periods of Saudi rule over the past four centuries showcasing the consistent conditions patterns of behaviour and political logics that surround their interplay Collectively these reveal a recurrent tendency in which the state paradoxically offers protections to the preservation of revivalism while generating threats against this same religious identity in order to ensure its hold on power Such a pattern he argues not only transcends all discrete periods of Saudi rule but also manifests regardless of the conservative or progressive nature of a particular administration Understanding such a pattern not only

helps to explain why Saudi Arabia today remains a source of regional sectarianism but also how such an idiomatic ideology has endured in the face of high modernity and why the state it is likely to struggle in its ongoing quest to open itself further to a diverse and pluralistic world Islamic Studies Series Volume 24 *Fort Saint George Gazette* Madras (India : State),1964
