All American Murder:

All-American Murder James Patterson, Alex Abramovich, 2018-01-22 Discover the shocking 1 New York Times bestseller the true story of a young NFL player's first degree murder conviction and untimely death and his journey from the Patriots to prison Aaron Hernandez was a college All American who became the youngest player in the NFL and later reached the Super Bowl His every move as a tight end with the New England Patriots played out the headlines yet he led a secret life one that ended in a maximum security prison What drove him to go so wrong so fast Between the summers of 2012 and 2013 not long after Hernandez made his first Pro Bowl he was linked to a series of violent incidents culminating in the death of Odin Lloyd a semi pro football player who dated the sister of Hernandez's fiancée Shayanna Jenkins All American Murder is the first book to investigate Aaron Hernandez's first degree murder conviction and the mystery of his own shocking and untimely death

An All American Murder Teresa Mckamey, 2010-04-01 An All-American Murder John Oller, 2014-03-24 On a hot summer day in 1975 14 year old Christie Lynn Mullins left her neighborhood swimming pool with a friend supposedly to attend a cheerleading contest behind a shopping center in Columbus Ohio Less than an hour later she was found brutally beaten to death in the nearby woods The neighborhood man who reported discovering her body was thought by many to be the true killer but was never charged Instead the crime was pinned on a passive drifter with an IQ of 50 who confessed after six hours of interrogation Two years later he was acquitted following a dramatic Perry Mason like trial full of surprise witnesses and testimony An All American Murder by lawyer and journalist John Oller is the story of a homicide that rocked the city of Columbus Ohio nearly 40 years ago and remains unsolved to this day Despite widespread belief that the original police investigation was flawed law enforcement authorities never actively pursued this alternate suspect and refuse to discuss the case today Friends neighbors and classmates of the victim as well her family firmly believe that justice was not done and that this cold case should be reopened An All American Murder has been described as a tragic fascinating story well told and an exceptionally well written insightful look into the angst that people can carry for decades when the criminal justice system is unable unwilling to provide closure Perhaps with the benefit of this book closure will finally be obtained
