Little Darling's Reluctant Return L. Encarnacion, 2026-03-18 Not everyone gets a second chance Lauryn Elisse did But it came with a price A death far more painful than the one already waiting for her Lauryn died as the reluctant backbone of her family and when she is sent back with only a few years to relive she thinks the purpose is obvious fix their future Protect them from the financial struggles that once crushed her Prevent her dad s early passing Save her brothers But the second chance does not stay simple She meets again the one she once shared an unspoken connection with the one who never made a move but is now drawing closer Then there is the one she never even met in her first life fighting his own quiet battles yet he keeps showing up as if fate refuses to let him remain a stranger And through it all Lauryn still tries to put herself last But as the universe tempts her with chances she never had before Lauryn begins to question everything she believed about this do over Was she sent back only to save her family or is she finally allowed to want something for herself Because the deal still stands And if saving others means breaking her own heart Lauryn may have to decide what this second chance is really for before time runs out
