Archer,2022-01-14 This boxed set contains the all 6 books in the AFTER THE RIFT romantasy romantic fantasy series by multi USA Today and Wall Street Journal bestselling author C J Archer This fantasy novel is simply the most captivating I

remember reading in decades of fantasy books It has been years and years since I have stayed up all night literally to read a book An exceptional story plot with characters who are written in a manner that makes them feel so real How does Ms Archer create pure magic so easily This is one of the best books that she has ever written ABOUT THE SERIES The king s magnificent palace was built in a matter of weeks No one saw the builders no villagers are allowed beyond the gilded gate and only one servant has ever left The haunted look in her eyes as she was recaptured by the palace guards is something Josie daughter of the village healer has never forgotten For Josie the palace is a mystery that grows more intriguing after she meets the captain of the guards a man known only as Hammer as mysterious and captivating as the palace itself Whispers of magic fuel Josie s desire to uncover the truth but an ordinary girl like her can only dream of ever being invited inside When the king decides to take a wife from among the eligible daughters of the noble families the palace gates are finally thrown open and the kingdom s elite pour in In a court where old rivalries and new jealousies collide the king s favorite is poisoned and the healer is summoned As her father s assistant Josie finally sees inside the lavish walls but she soon learns the palace won t surrender its secrets easily for not a single resident from the lowest servant to the king himself has a memory from before the palace existed In her quest to help the servants Josie becomes embroiled in courtly intrigues alongside the enigmatic captain As their feelings for each other grow the hopelessness of their situation becomes apparent How can she love a man who doesn t know his own past To make matters worse they discover that ending the enchantment will shake the very foundations of the kingdom and destroy everything Josie holds dear **Microtimes** ,1995 *The Magic of 3* Joshua King,2022-12-05 Now is a great time to be a saver We earn 3% interest through a high yield savings account That is completely free money just for saving in a certain institution How will we use these interest payments First we can reinvest in our HYSAs But we can also take this money and invest into higher yield products safely Either way HYSAs are a start on the passive income path Our kids will follow how we travel the course so it s time to move beyond our comfort zone Good Luck

**High-Yield Savings Accounts Vs. Standard Savings Accounts** JOSHUA. KING,2025-03-18 Do you want to save your money in a bank account that pays 0.1% That isn t enough money for anything I prefer to save my emergency fund in a high yield savings account that pays 4.0% or higher Over 30 years a 15,000 deposit in a high yield savings account would become 45,000 while the same 15,000 would grow to 15,500 in a standard savings account The first step to financial freedom is following a strict budget After that you must save in a high yield savings account to give every dollar a mission Good Luck

Getting Started with High-Yield Savings Accounts Joshua King,2023-05-03 High Yield Savings Accounts are unique products we can use to bolster our savings rate However the average person does not use an HYSAs to save for emergencies or home down payments Why Perhaps they need to learn about HYSAs or fear putting their money into an online only bank Either way we will break down those barriers today to start investing in one of my favorite products on the market Good Luck

**My Three Favorite High-Yield Savings Accounts** Joshua King,2024-11-03 I love saving money I wasn t this way

because I didn't value how vital savings are to our financial futures. As a saver, I love using my high yield savings accounts. I now have three high yield accounts that I plan to grow to 20,000 or more. The three accounts are Discover M1 Finance and Samsung Money. Together they offer me three unique experiences to save money while earning a great yield. If you are new to saving, look at these three high yield savings accounts. They are great for both new and seasoned savers. Good Luck.

*High-Yield Savings Vs. Certificates of Deposit Vs. Treasury Bills Vs. Money Market Funds* Joshua King, 2024-02-08

Intelligence is the ability to make finer distinctions. As we progress on our journey to financial freedom, we must learn about various financial products. These products exist in different regions of the financial sector, but we can use them in tandem to protect our assets and build wealth. Investing for interest is different than investing for dividends. These distinctions will help us understand the purpose of using high yield savings accounts, certificates of deposit, treasury bills, and money market funds. We don't use these products to make us rich; we use them to protect our principal while earning some income along the way. Good luck.

**Welcome to the Elite Savers of America** Joshua King, 2023-08-31. Can you save 10,000 in a high yield savings account (HYSA)? It is no easy task, but I believe in you. The first step is understanding why saving money is vital to our future. We cannot pause our lives with every emergency that arises. Next, we must understand that our emergency fund should not be used frequently or randomly. In fact, we should aim never to use these funds. Finally, we must create additional income streams to increase our savings rate and cash flow. If we can do all these things, we will become members of the Elite Savers of America. Welcome.

*High-Yield Savings Vs. CD Ladders Vs. Series I Bonds* Joshua King, 2022-09-21. With interest rates rising, saving will be the new hotness. But which saving vehicles are best for your portfolio? Today, I offer three ways to save money and earn a decent amount of interest. Each has its benefits, but using them together will give you the best results. High yield savings accounts give you the lowest interest rate but the fastest access to your money. CD Ladders give you tons of options for rates and holding periods. You can use these to gain interest while seeing how interest rates look in the future. Series I Bonds give you maximum inflation protection and will ensure your money grows with the economy. Using these instruments together will help you build a massive savings portfolio to go with your investing strategy.
