Technology and Luxury Hospitality Park Thaichon, Pushan Kumar Dutta, Pethuru Raj Chelliah, Sachin Gupta, 2024-06-28

The integration of pioneering information and communication technologies has transformed the hospitality sector. This groundbreaking book delves into the transformative power of cutting edge technologies in the world of high end travel and accommodation. As the digital revolution continues to reshape our lives, this book offers an exclusive look at how the hospitality industry is adapting and evolving to cater to the sophisticated tastes of the modern tech savvy traveller. In this eye opening exploration, readers will be taken on a journey through the latest innovations in artificial intelligence, blockchain, and the metaverse as they intersect with the world of luxury hospitality. From AI driven concierge services and smart hotel rooms that cater to guests every whim, to the democratization of luxury experiences through blockchain based loyalty programmes, and the rise of virtual reality travel, this book reveals the extraordinary possibilities that lie ahead for the discerning traveller. With insights from international experts, this edited collection provides a comprehensive and engaging overview of the current and future trends shaping the industry, and will be valuable to scholars and postgraduate researchers across the hospitality sector, innovation, and luxury management.

Industrial and Managerial Solutions for Tourism Enterprises

Akbaba, Atilla, Altıntaş, Volkan, 2020-02-07. The tourism and hospitality industries are seeing continued success, which is why so many new businesses are trying to find a foothold in the field. However, the functions and responsibilities of management differ heavily between organizations within the tourism industry, such as the differences faced by big chain hotels, family owned hotels, and individually owned hotels. Understanding the methods of managing such companies is vital to ensuring their success. *Industrial and Managerial Solutions for Tourism Enterprises* is a pivotal reference source that focuses on the latest developments on management in the tourism and hospitality industries. Highlighting a range of topics including core competency, customer relationship management, and departmental relationships, this book is ideally designed for managers, restaurateurs, tour developers, destination management professionals, travel agencies, tourism media, journalists, hotel managers, management consulting companies, human resources professionals, performance evaluators, researchers, academicians, and students.
