IG HUNTER Ryan D Mason, CEO Jerry Harris, Vaibhav Palhade, 2020-12-31 IG Hunter is an Informative Educational Book About Various Updated Features of Instagram the Most Used Social media What are the Hidden Features How To Use Them Every Thing is Mentioned in Ig Hunter [The Digital Is Kid Stuff](#) Josef Nguyen, 2021-12-28 How popular debates about the so called digital generation mediate anxieties about labor and life in twenty first century America The children are our future goes the adage a proclamation that simultaneously declares both anxiety as well as hope about youth as the next generation In [The Digital Is Kid Stuff](#) Josef Nguyen interrogates this ambivalence within discussions about today's digital generation and the future of creativity an ambivalence that toggles between the techno pessimism that warns against the harm to children of too much screen time and a techno utopianism that foresees these digital natives leading the way to innovation economic growth increased democratization and national prosperity Nguyen engages cultural histories of childhood youth and creativity through chapters that are each anchored to a particular digital media object or practice Nguyen narrates the developmental arc of a future creative laborer from a young kid playing the island fictions of Minecraft to an older child learning do it yourself skills while reading Make magazine to a teenager posting selfies on Instagram to a young adult creative laborer imagining technological innovations using design fiction Focusing on the constructions and valorizations of creativity entrepreneurialism and technological savvy Nguyen argues that contemporary culture operates to assuage profound anxieties about and to defuse valid critiques of both emerging digital technologies and the precarity of employment for creative laborers in twenty first century neoliberal America *Handbook of Research on Transmedia Storytelling and Narrative Strategies* Yilmaz, Recep, Erdem, M. Nur, Resuloğlu, Filiz, 2018-07-06 Transmedia storytelling is defined as a process where integral elements of fiction get dispersed systematically across multiple delivery channels to create a unified and coordinated entertainment experience This process and its narrative models have had an increasing influence on the academic world in addressing both theoretical and practical dimensions of transmedia storytelling The Handbook of Research on Transmedia Storytelling and Narrative Strategies is a critical scholarly resource that explores the connections between consumers of media content and information parts that come from multimedia platforms as well as the concepts of narration and narrative styles Featuring coverage on a wide range of topics such as augmented reality digital society and marketing strategies this book explores narration as a method of relating to consumers This book is ideal for advertising professionals creative directors academicians scriptwriters researchers and upper level graduate students seeking current research on narrative marketing strategies *The Digital Evangelicals* Travis Warren Cooper, 2022-08-02 When it comes to evangelical Christianity the internet is both a refuge and a threat It hosts Zoom prayer groups and pornographic videos religious revolutions and silly cat videos Platforms such as social media podcasts blogs and digital Bibles all constitute new arenas for debate about social and religious boundaries theological and ecclesial orthodoxy and the internet's inherent

danger and value In *The Digital Evangelicals* Travis Warren Cooper locates evangelicalism as a media event rather than as a coherent religious tradition by focusing on the intertwined narratives of evangelical Christianity and emerging digital culture in the United States He focuses on two dominant media traditions media sincerity immediate and direct interpersonal communication and media promiscuity communication with the primary goal of extending the Christian community regardless of physical distance Cooper whose work is informed by ethnographic fieldwork traces these conflicting paradigms from the Protestant Reformation through the rise of the digital and argues that the tension is culminating in a crisis of evangelical authority What counts as authentic interaction Who has authority over the circulation of information While many studies claim that technology influences religion *The Digital Evangelicals* reveals how Protestant metaphors and discourses shaped the emergence of the internet and explores what this relationship with global new media means for evangelicalism
