## **The First World War Hew Strachan:**

**The First World War** Hew Strachan, 2003 Hew Strachan is one of the world's foremost experts on the Great War of 1914-18. His ongoing three-volume history of the conflict, the first of which was published in 2001, is likely to become the standard academic reference work. Max Hastings called it one of the most impressive books of modern history in a generation, while Richard Holmes hailed it as a towering achievement. Now Hew Strachan brings his immense knowledge to a one-volume work aimed squarely at the general reader. Returning wisdom about the war completely on its head, he pays tribute to the men who planned and executed the war, seeing it not as a shocking waste of human life but as a necessary conflict that utterly transformed the twentieth century. Taking a truly global view of the war, he redresses the idea that it was a prolonged skirmish on the Western Front. Rigorously researched, superbly written, **THE FIRST WORLD WAR** will take its place as one of the finest works in the literature of war.

[The First World War](#) Hew Strachan, 2003-02-06 This is the first truly definitive history of the First World War, the war that has done most to shape the twentieth century. The first generation of its historians had access to only a limited range of sources and their focus was primarily on military events. More recent approaches have embraced cultural, diplomatic, economic, and social history. In Hew Strachan's authoritative and readable history, these fresh perspectives are incorporated with the military and strategic narrative. The result is an account that breaks the bounds of national preoccupations to become both global and comparative. *To Arms*, the first of three volumes in this magisterial study, examines not only the causes of the war and its opening clashes on land and sea but also the ideas that underpinned it and the motivations of the people who supported it. It provides full and pioneering accounts of the war's finances, of the war in Africa, and of the Central Powers' bid to widen the war outside Europe.

[The First World War](#) Hew Strachan, 2001 This serious, compact survey of the war's history stands out as the most well-informed, accessible work available. *Los Angeles Times*: Nearly a century has passed since the outbreak of World War I, yet as military historian Hew Strachan argues in this brilliant and authoritative new book, the legacy of the war to end all wars is with us still. The First World War was a truly global conflict from the start, with many of the most decisive battles fought in or directly affecting the Balkans, Africa, and the Ottoman Empire. Even more than World War II, the First World War continues to shape the politics and international relations of our world, especially in hot spots like the Middle East and the Balkans. Strachan has done a masterful job of reexamining the causes, the major campaigns, and the consequences of the First World War, compressing a lifetime of knowledge into a single definitive volume tailored for the general reader. Written in crisp, compelling prose and enlivened with extraordinarily vivid photographs and detailed maps, *The First World War* re-creates this world-altering conflict both on and off the battlefield: the clash of ideologies between the colonial powers at the center of the war; the social and economic unrest that swept Europe both before and after the military strategies employed with stunning success and tragic failure in the various theaters of war; the terms of peace and why it didn't last. Drawing on material culled from many

countries Strachan offers a fresh clear sighted perspective on how the war not only redrew the map of the world but also set in motion the most dangerous conflicts of today Deeply learned powerfully written and soon to be released with a new introduction that commemorates the hundredth anniversary of the outbreak of the war The First World War remains a landmark of contemporary history **The First World War** Hew Strachan,2014-02-13 Quite simply the best short history of the war in print Strachan has emerged as the master of us all who write of war in English Dennis Showalter A brilliant and penetrating new history of the First World War by one of the world s foremost experts on the conflict Reissued with a new introduction from the author The popular view of the First World War is dominated by clich young British soldiers many of them budding poets led to early and ghastly deaths in muddy wastes by incompetent generals for reasons that were seemingly futile As this magisterial new one volume history of the war illustrates however the clich is only part of the truth Hew Strachan argues that the war had become a world war long before the involvement of the United States and that for those liberal countries struggling to defend their freedoms the war was far from futile Accessible compelling and utterly convincing this is modern history writing at its finest Accessible compelling and utterly convincing this is modern history writing at its finest Financing the First World War Hew Strachan,2004 To Arms is Hew Strachan s most complete and definitive study of the opening of the First World War Now key sections from this magisterial work are published as individual paperbacks each complete in itself and with a new introduction by the author The First World War was costly in treasure as well as lives Before its outbreak many commentators reckoned that the great powers could not afford to fight or that economic dislocation would bring war to a rapid close They were wrong Ways were found to fund the fighting that went beyond conventional devices like taxation or domestic borrowing Britain managed to raise much of the money which it and its allies needed in the United States so implicating America in the war long before its formal entry in April 1917 This is the first full history of how the war was financed It resulted in hyper inflation in the 1920s and in due course in New York s displacement of London as the world s money market Its effects are still with us today *Colonial Captivity during the First World War* Mahon Murphy,2018 This new analysis of internment outside Europe helps us to understand the First World War as a truly global conflict The First World War in Africa Hew Strachan,2004-10-14 To Arms is Hew Strachan s most complete and definitive study of the opening of the First World War Now key sections from this magisterial work are published as individual paperbacks each complete in itself and with a new introduction by the author The First World War was not just fought in the trenches of the western front It embraced all of Africa Many of those who fought this white man s war were black The dangers they confronted went beyond those of the battlefield They fell prey to malaria and dysentery and they were attacked by lions and crocodiles But it was a vast and spectacular theatre of operations in which great personalities thrusting German officers like Paul von Lettow Vorbeck or big game hunters like Peter Pretorius could impose themselves Embracing the perspectives of all the nations who fought there this is the first ever full account of the Great War

in Africa The Palgrave Handbook of African Colonial and Postcolonial History Martin S. Shanguhya, Toyin Falola, 2018-01-28 This wide ranging volume presents the most complete appraisal of modern African history to date It assembles dozens of new and established scholars to tackle the questions and subjects that define the field ranging from the economy the two world wars nationalism decolonization and postcolonial politics to religion development sexuality and the African youth experience Contributors are drawn from numerous fields in African studies including art music literature education and anthropology The themes they cover illustrate the depth of modern African history and the diversity and originality of lenses available for examining it Older themes in the field have been treated to an engaging re assessment while new and emerging themes are situated as the book s core strength The result is a comprehensive vital picture of where the field of modern African history stands today Indian Soldiers in the First World War Ashutosh Kumar, Claude Markovits, 2020-12-23 This book explores the lives and social histories of Indians soldiers who fought in the First World War It focuses on their motivations experiences and lives after returning from service in Europe Mesopotamia East Africa and Palestine to present a more complete picture of Indian participation in the war The book looks at the Indian support to the war for political concessions from the British government and its repercussions through the perspective of the role played by more than one million Indian soldiers and labourers It examines the social and cultural aspects of the experience of fighting on foreign soil in a deadly battle and their contributions which remain largely unrecognised From micro histories of fighting soldiers aspects of recruitment and deployment to macro histories connecting different aspects of the War the volume explores a variety of themes including the material incentives coercion and training which converted peasants into combatants encounters of travelling Indian soldiers with other societies and the contributions of returned soldiers in Indian society The book will be useful to researchers and students of history post colonial studies sociology literature and cultural studies as well as for those interested in military history World War I and colonial history A History of the Great War Eric Dorn Brose, 2010 PART ONE INTO THE ABYSS 1871 1914 1 The Long Descent 2 From Peace to War PART TWO THE ABYSS 1914 1918 3 The Opening Campaigns 1914 4 The Wider War 1914 1915 5 The Stalemate in Europe 1915 6 The Wider War 1915 1916 7 Tipping Points in Europe 1916 1917 8 War Weariness and the Question of Peace in Europe 1917 9 War Politics and Diplomacy in the Middle East and Russia 1917 1918 10 The Last Furious Year of the Great War 1917 1918 PART THREE SLOWLY OUT OF THE ABYSS 1918 1926 11 The Violent Aftermath of the Great War in Europe 1918 1926 12 The Problematic Legacy of the Great War in the Wider World 1918 1926 13 Epilogue Bereavement Economic Collapse and the Climate for War The German Way of War Robert Michael Citino, 2005 For Frederick the Great the prescription for warfare was simple kurz und vives short and lively wars that relied upon swift powerful and decisive military operations Robert Citino takes us on a dramatic march through Prussian and German military history to show how that primal theme played out time and time again Citino focuses on operational warfare to demonstrate continuity in German military

campaigns from the time of Elector Frederick Wilhelm and his great sleigh drive against the Swedes to the age of Adolf Hitler and the blitzkrieg to the gates of Moscow Along the way he underscores the role played by the Prussian army in elevating a small vulnerable state to the ranks of the European powers describes how nineteenth century victories over Austria and France made the German army the most respected in Europe and reviews the lessons learned from the trenches of World War I

*The First World War* Ian F.W. Beckett, 2002-11-30 an indispensable companion to the official sources of the First World War the most comprehensive authoritative and up to date guide on the market

**The Outbreak of the First World War** Hew Strachan, 2004 Professor Strachan brings his trademark clarity of thought and lucid expository style to bear on the long contested ground of the causes of the First World War

**Armor**, 2005 [History in Dispute: World War I, first series](#) Dennis E. Showalter, 2000 Each volume of the History in Dispute series has a thematic era or subject specific focus that coincides with the way history is studied at the academic level Each volume contains roughly 50 entries chosen by a board of historians and academics

*Intimate Voices from the First World War* Svetlana Palmer, Sarah Wallis, 2005-01-04 The story of World War I is brought to life through the gripping personal narratives of those at the center of the storm World War I was waged by young people from twenty eight countries in an era without the advantages of military embeds satellite phones and streaming media coverage Intimate Voices from the First World War fills in the gaps in the history of the world's first global confrontation with excerpts from recently uncovered letters and diaries of those on the front lines and their friends at home In their reflections on the vastness of the enterprise of war these combatants victims and eyewitnesses re create the scope of the conflict with immediacy and tenderness Written with the frankness and intimacy of words not intended for public eyes full of private passions prejudices humor and vivid insights these communiqués speak to us directly from within the war itself and from all sides of the conflict These marvelous historical narratives not only immerse readers in an ongoing dialogue about the meaning of human conflict but also serve as reminders of the individual perspectives and beliefs that sometimes get overlooked during times of global strife

**Germany and the Axis Powers from Coalition to Collapse** R. L. DiNardo, 2005 It seemed that whenever Mussolini acted on his own it was bad news for Hitler Indeed the Fuhrer's relations with his Axis partners were fraught with an almost total lack of coordination Compared to the Allies the coalition was hardly an alliance at all Focusing on Germany's military relations with Italy Romania Hungary and Finland Richard DiNardo unearths a wealth of information that reveals how the Axis coalition largely undermined Hitler's objectives from the Eastern Front to the Balkans Mediterranean and North Africa DiNardo argues that the Axis military alliance was doomed from the beginning by a lack of common war aims the absence of a unified command structure and each nation's fundamental mistrust of the others Germany was disinclined to make the kinds of compromises that successful wartime partnerships demanded and because Hitler insisted on separate pacts with each nation Italy and Finland often found themselves conducting counterproductive parallel wars on their own DiNardo's detailed assessments of ground naval and air

operations reveal precisely why the Axis allies were so dysfunctional as a collective force sometimes for seemingly mundane but vital reasons a shortage of interpreters for example His analysis covers coalition warfare at every level demonstrating that some military services were better at working with their allies than others while also pointing to rare successes such as Rommel's effective coordination with Italian forces in North Africa In the end while some individual Axis units fought with distinction if not on a par with the vaunted Wehrmacht and helped Germany achieve some of its military aims the coalition's overall military performance was riddled with disappointments Breaking new ground DiNardo's work enlarges our understanding of Germany's defeat while at the same time offering a timely reminder of the challenges presented by coalition warfare

**A Fraternity of Arms** Robert Bowman Bruce, 2003 By the beginning of the twentieth century the United States had already become an international power and a recognized force at sea but its army remained little more than a frontier constabulary In fact when America finally entered World War I the U S Army was still only a tenth the size of the smallest of the major European forces While most previous work on America's participation in the Great War has focused on alliance with Great Britain Robert Bruce argues that the impact of the Franco American relationship was of far greater significance He makes a convincing case that the French rather than the British were the main military partner of the United States in its brief but decisive participation in the war and that France deserves much credit for America's emergence as a world military power In this important new look at the First World War Bruce reveals how two countries established a close and respectful relationship marking the first time since the American Revolution that the United States had waged war as a member of a military coalition While General Pershing's American Expeditionary Forces did much to buoy French morale and military operations France reciprocated by training over 80 percent of all American army divisions sent to Europe providing most of their artillery and tanks and even commanding them in combat As Bruce discloses virtually every military engagement in which the AEF participated was a Franco American operation He provides significant new material on all major battles not only the decisive Second Battle of the Marne but also St Mihiel Cantigny Reims Soissons and other engagements detailing the key contributions of this coalition to the final defeat of Imperial Germany Throughout the book he also demonstrates that there was a mutual bond of affection not only between French and American soldiers but between the French and American people as well with roots planted deep in the democratic ideal By revealing the overlooked importance of this crucial alliance *A Fraternity of Arms* provides new insights not only into World War I but into coalition war making as well Contrary to the popular belief that relations between France and the United States have been tenuous or tendentious at best Bruce reminds us that less than a century ago French and American soldiers fought side by side in a common cause not just as allies and brothers in arms but as true friends

*The Oxford Companion to Modern Warfare in India* Kaushik Roy, 2009 This volume studies the origin characteristics and evolution of modern warfare in the Indian subcontinent Using a cross cultural comparative analysis it puts India's military experience in a global perspective to assess the uniqueness of the emergence of

modern warfare in India **The Historian** ,2002

### **The First World War Hew Strachan Introduction**

The First World War Hew Strachan Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The First World War Hew Strachan Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The First World War Hew Strachan : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The First World War Hew Strachan : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The First World War Hew Strachan Offers a diverse range of free eBooks across various genres. The First World War Hew Strachan Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The First World War Hew Strachan Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The First World War Hew Strachan, especially related to The First World War Hew Strachan, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The First World War Hew Strachan, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The First World War Hew Strachan books or magazines might include. Look for these in online stores or libraries. Remember that while The First World War Hew Strachan, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The First World War Hew Strachan eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The First World War Hew Strachan full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The First World War Hew Strachan eBooks, including some popular titles.

### FAQs About The First World War Hew Strachan Books

**What is a The First World War Hew Strachan PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The First World War Hew Strachan PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The First World War Hew Strachan PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The First World War Hew Strachan PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The First World War Hew Strachan PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
