The Lords Of Strategy:

Lords of Strategy Walter Kiechel, 2010-03-03 Imagine if you can the world of business without corporate strategy Remarkably fifty years ago that s the way it was Businesses made plans certainly but without understanding the underlying dynamics of competition costs and customers It was like trying to design a large scale engineering project without knowing the laws of physics But in the 1960s four mavericks and their posses instigated a profound shift in thinking that turbocharged business as never before with implications far beyond what even they imagined In *The Lords of Strategy* renowned business journalist and editor Walter Kiechel tells for the first time the story of the four men who invented corporate strategy as we know it and set in motion the modern multibillion dollar consulting industry Bruce Henderson founder of Boston Consulting Group Bill Bain creator of Bain Company Fred Gluck longtime Managing Director of McKinsey Company Michael Porter Harvard Business School professor Providing a window into how to think about strategy today Kiechel tells their story with novelistic flair At times inspiring at times nearly terrifying this book is a revealing account of how these iconoclasts and the organizations they led revolutionized the way we think about business changed the very soul of the corporation and transformed the way we work *Summary of Walter Kiechel's The Lords of Strategy* Everest Media, 2022-05-10T22:59:00Z

Please note This is a companion version not the original book Sample Book Insights 1 The rise of strategy as the framework through which companies understand what they re doing and want to do has eclipsed any other change in the intellectual landscape of business over the past fifty years 2 The secret intellectual history of the new corporate world is as much about the challenges companies faced from competing with the Japanese in the 1970s to surviving a crisis in the global financial system in the twenty first century 3 The strategy revolution was led by management consultants who were able to put together all the elements that determined a company s corporate fate They lacked a rigorous sense of the dynamics of competition though 4 The book is an essay rather than a history meaning it incorporates the personal observations of the author It is an account of the ideas behind the strategy revolution and it includes interviews with several of the lords of strategy **Thinkers 50 Strategy: The Art and Science of Strategy Creation and Execution** Stuart Crainer, Des Dearlove, 2013-11-22
