[Answering the Call of the Elementals](#) Thomas Mayer, 2021-06-01 Explores the hierarchy of elemental beings as well as Christ elemental beings social elementals and machine elementals. Explains how elementals inhabit the etheric space that houses our emotions, feelings, and thoughts and how they carry the emotional level of the world. Shows how the author learned to make personal contact with the elementals and shares his experiences as well as the elemental world's urgent call for help. We all live in the realm of elemental beings. They permeate our souls, our thoughts, our feelings, and they co-create the world around us, yet we are often completely unaware of them. They, however, are eager to be perceived and acknowledged by us because their future and ours are fundamentally connected. Elementals act as carriers of the emotional level of the world, and Thomas Mayer reveals how he learned to develop and fine-tune his sense of perception to make direct personal contact with them. Providing insight into the elemental hierarchy from the low workers to the masters and the elemental kings, he portrays Christ elemental beings, social elementals, and machine elementals as well. He also explores the adversarial forces like Lucifer and Ahriman that access the elemental world through the subconscious of humans and seek to destroy our elemental friends. Through sharing his encounters with fairies, dwarves, giants, and others, the author reveals their urgent call for help, an entreaty to anchor the elemental beings again in the awareness of humankind through recognition, acknowledgment, and conscious connection. Let us support the elementals in their crucial life-giving work through which they, in turn, support us in preserving the Earth we live on.
