

CYBER MONDAY

SAFETY TIPS

Scams

- Many scam websites imitate legitimate ones. If there is no contact info, that's a red flag.
- Make sure you haven't been routed to a different site.

Online Payments

- Pay using a credit card. Credit card transactions have more fraud protection than other forms of payment.

Secure Websites

- Before buying, make sure the site is secure. The web address should start with "https" and have a lock icon next to it.

WiFi

- Avoid using public WiFi networks when shopping, unless you use a VPN (virtual private network)

Pop-Ups & Ads

- Beware of deals that seem too good to be true. They often are.
- Don't open links in unknown emails and text messages.
