The Divide Morgan Richter, 2024-08-20 A failed actress turned grifting psychic searches for her missing doppelgänger and is plunged into a web of murder and corruption among Hollywood A-listers. Weird and wonderfully addictive reads like Agatha Christie on acid or maybe Raymond Chandler adapted by the Coen Brothers. Ernest Cline's 1 New York Times best-selling author of Ready Player One. When Jenny St. John was eighteen, she moved to Los Angeles from her rural midwestern hometown and scored the lead role in an independent film called *The Divide*. Under the intimate direction of young auteur Serge Grumet, Jenny was on her way to becoming the next indie darling. But then the movie tanked, and Jenny never caught a second break. Now two decades later, after floundering on the fringes of the entertainment industry, she's barely keeping afloat, running a low-level grift as a psychic life coach. But when news surfaces that Serge has been murdered, Jenny's life is turned upside down. Unbeknownst to Jenny, Serge's ex-wife, painter Gena Santos, looks alarmingly similar to Jenny. So much so that when Gena goes missing, the cops think Jenny is Gena. Jenny finds herself pulled into Gena's world and manages to leverage both her resemblance to Gena and her faux psychic abilities to infiltrate the affluent yet unstable inner circle of friends, which include a Korean pop idol turned social media star and an Oscar-winning actress turned wellness guru. Soon, Jenny's search to find Gena unearths dark secrets about her own past while putting her squarely in the sights of a killer.

The Best Business Writing 2012 Dean Starkman, 2012 Collects several investigative reports on the business world, including the investigation into News of the World, an account of the consequences of the deregulation of medicine, and the legacy of Alan Greenspan. *Fair Not Flat* Edward J. McCaffery, 2008-09-15 Everyone knows that the current tax system is

unfair Some of the richest people in America pay no tax while a huge share of the tax burden falls on the rest of us A mere glance at the tax code confirms that it is far too complex with volumes of rules that no ordinary person could possibly comprehend What is to be done Some conservatives have called for a so called flat tax But a flat tax is not necessarily a simple tax and flat means more for most taxpayers a rise in middle class taxes to finance tax cuts for the rich Is there another choice In clear easy to understand language Edward J McCaffery proposes a straightforward and fair alternative A fair not flat tax that is consistent and progressive would tax spending not income and savings And if it were collected at its lower levels through a national sales tax most people would not have to file a return A supplemental tax on spending for the wealthiest individuals would make the national sales tax progressive Under McCaffery s system a family of four would pay no tax on their first 20 000 in spending and 15 percent on the next 60 000 Only the few families who spend more than 80 000 a year would be subject to the supplemental tax Necessities would be taxed less than ordinary and luxury items No one would be taxed directly on savings The estate and gift or so called death tax would be abolished for the simple reason that dead people don t spend The fair not flat tax would fall on heirs when and as they spend their good fortune Perhaps best of all most Americans would not have to fill out tax returns Simpler more efficient fairer and more reflective of America s current social values McCaffery s fair not flat tax could help get us out of the tax mess that politicians and special interests have gotten us into improving the whole country in the process Read Fair Not Flat to find out how In Fair Not Flat Mr McCaffery lays out the case for a consumption tax He does so in a reader friendly way presenting his argument with very few footnotes equations or technical terms The consumption of the book so to speak is not at all taxing And its argument is well worth pondering Bruce Bartlett Wall Street Journal **Boot and Shoe Recorder** ,1960 **Union Boot and Shoe Worker** ,1920
