curve in the road that leads onto a view of Lake Huron Keith Annie and their three children have rented the same cottage here every summer for the past six years They know this place like the back of their station wagon But a shadow has fallen over this particular trip Keith is dying of cancer It is a fate he has accepted Annie however can not will not Once safe inside a happy seventeen year marriage Annie finds her entire world turned upside down after Keith s death Her sister Jess does her best to comfort Annie only to find the boundaries of their own close relationship stretched to its limits Consumed with grief mounting bills everyday tasks that seem insurmountable and three kids that have become nagging sources of frustration Annie fails to see that the family is beginning to come apart Thirteen year old Harry the oldest changes into a brooding teen roaming the streets with a new rebellious friend Julie the youngest at nine starts to lie about her whereabouts but keeps a secret journal that reveals her true feelings and Jimmy sandwiched forever in the middle can no longer take the pressure of being the peacemaker As each child moves toward his or her own level of acceptance a second threatening event will transform both the children and Annie teaching them that even with the loss of Keith they are still a family a different family but one that is no less loving real and enduring than they had been with a father and husband in the house Searing in its depiction of despair warm in its evocation of family and the fragile ties that bind them and tempered with gentle humor and dazzling wit Errands is nothing less than a triumph Judith Guest strikes at the very core of loss and has written her most extraordinary novel to date A MAIN SELECTION OF THE LITERARY GUILD c AN ALTERNATE SELECTION OF THE DOUBLEDAY BOOK CLUB c From the Hardcover edition

Stages of Faith James W. Fowler,1995-09-15 Dr James Fowler has asked these questions and others like them of nearly six hundred people He has talked with men women and children of all ages from four to eighty eight including Jews Catholics Protestants agnostics and atheists In many cases the interviews became in depth conversations that provided rare intimate glimpses into the various ways our lives have meaning and purpose windows into what this books calls faith Faith as approached here is not necessarily religious nor is it to be equated with belief Rather faith is a person s way of leaning into and making sense of life More verb than noun faith is the dynamic system of images values and commitments that guide one s life It is thus universal everyone who chooses to go on living operated by some basic faith Building on the contributions of such key thinkers as Piaget Erikson and Kohlberg Fowler draws on a wide range of scholarship literature and firsthand research to present expertly and engagingly the six stages that emerge in working out the meaning of our lives from the intuitive imitative faith of childhood through conventional and then more independent faith to the universalizing self transcending faith of full maturity Stages of Faith helps us to understand our own pilgrimage of faith the passages of our own quest for meaning and value
