Kenneth Wuest New Testament:

The New Testament. An Expanded Translation by Kenneth S. Wuest ,1961 **Wuest's Expanded Translation of the Greek New Testament. The New Testament. An Expanded Translation by Kenneth S. Wuest. (One-volume Edition.).** Kenneth Samuel WUEST,1961 **Romans: Jimmy Swaggart Bible Commentary** Jimmy Swaggart,1996

ROMANS BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God *Wuest's Expanded Translation of the Greek New Testament ,1956* **Amplified Cross-Reference Bible** Zondervan,2014-03-25 The Amplified Cross Reference Bible offers the full text of the popular Amplified translation along with an extensive center column cross reference system to help you get the most out of your Bible reading experience The Amplified Bible is designed for readers who want to understand all the rich nuances of the original Bible languages No working knowledge of Greek or Hebrew is required just a desire to know more about what God says in his Word With its unique system of brackets parentheses and italics the Amplified Bible defines and expands key words and phrases right in the text Verse by verse the deeper meaning behind the message of Scripture unfolds as you read **Old Texts Through New Eyes** Dallas R Burdette,2009-03 Christians frequently slaughter freedom of conscience with fanatical dogmatism It is not uncommon for various fellowships of God s people to lay an embargo on freedom in favor of their own exclusive doctrine or understanding of the Scriptures One objective of this book is to set Christians free from sectarianism The views set forth in this book are not bound by party ties It is my desire that these writings will assist Christians in their desire to escape the prevailing forms of radicalism manifested by so many sincere and devout believers In my fifty eight years of preaching and teaching I have witnessed that men and women for the most part are afraid of freedom This volume examines the philosophy of what we teach is true and what others teach is false Among some bodies of believers freedom of investigation is rigidly shackled The chapters in this book seek to defuse the attitude that the one who refuses to comply with the status quo is no longer a brother in Christ The diversity of the chapters in this book refutes the prevailing opinions of many Christians my opinion is the only sound one flawless and incontestable Dallas

Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God s people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary
