Pigskin Robert W. Peterson,1997-10-30 If the National Football League is now a mammoth billion dollar enterprise it was certainly born into more humble circumstances Indeed it began in 1920 in an automobile showroom in Canton Ohio when a car dealer called together some owners of teams mostly in the Midwest to form a league Unlike the lavish boardrooms in which NFL owners meet today on this occasion the owners sat on the running boards of cars in the showroom and drank beer from buckets A membership fee of 100 was set but no one came up with any money As one of those present George Halas the legendary owner of the Chicago Bears said I doubt that there was a hundred bucks in the room From such modest beginnings pro football became far and away the most popular spectator sport in America In *Pigskin* Robert W Peterson presents a lively

and informative overview of the early years of pro football from the late 1880s to the beginning of the television era Peterson describes the colorful beginnings of the pro game and its outstanding teams the Green Bay Packers the New York Giants the Chicago Bears the Baltimore Colts and the great games they played Profiles of the most famous players of the era including Pudge Heffelfinger the first certifiable professional Jim Thorpe Red Grange Bronko Nagurski and Fritz Pollard the NFL's first black star bring the history of the game to life Peterson also takes us back to the roots of the pro game showing how professionalism began when some stars for Yale Harvard and Princeton took money under the table of course for their services to alma mater By 1895 the money makers still unacknowledged had moved to amateur athletic associations in western Pennsylvania and subsequently into Ohio After the NFL formed in 1920 pro football's popularity grew gradually but steadily It burst into national prominence with the Bears Redskins championship game of 1940 As one sportswriter put it The weather was perfect So were the Bears The final score was 73 0 Peterson shows how after World War II the newly created All America Football Conference challenged the NFL Though dominated by a gritty Cleveland team the AAFC was never viewed by NFL teams as much of a threat That is not until 1950 when the two leagues merged bringing about the Cleveland Browns Philadelphia Eagles game in which the Browns buried the Eagles 35 10 An elegy to a time when for many players the game was at least as important as the money it brought them which wasn't much Pigskin takes readers up to the 1958 championship game when the Baltimore Colts beat the New York Giants in overtime By that time the great popularity of the game had moved from newspapers and radio to television and pro football had finally arrived as a major sport

From Sandlots to the Super Bowl Craig R. Coenen, 2005 This book also details how the league faced challenges from rival leagues the government and at times itself Finally it documents how the NFL mastered the use of new technologies like television to market itself generate new revenue and secure its financial future Coenen approaches the history of the National Football League not only with stats and scores but with what happened beyond the gridiron Jacket **The NFL's Official Encyclopedic History of Professional Football** National Football League Properties, inc. Creative Services Division, 1977

U.S. News & World Report, 1983 The 1995 Information Please Sports Almanac Mike Meserole, 1994-11 Widely recognized by sportswriters and fans as the most complete and accurate annual sports record this sixth edition promises to be the best volume yet Impeccably researched it features 64 additional pages and expanded sections on the Winter Olympics and World Cup soccer 275 photos and cartoons specially commissioned essays complete statistics thumb tabs and much more

Adopting the Song of Term: An Mental Symphony within **Nfl Standings Latest**

In a world taken by screens and the ceaseless chatter of instantaneous communication, the melodic elegance and emotional symphony produced by the published term frequently disappear in to the backdrop, eclipsed by the persistent noise and distractions that permeate our lives. Nevertheless, located within the pages of **Nfl Standings Latest** a wonderful fictional prize filled with fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that charming masterpiece conducts viewers on a mental trip, skillfully unraveling the concealed songs and profound impact resonating within each cautiously constructed phrase. Within the depths of this touching assessment, we can examine the book is central harmonies, analyze their enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
