

# Microbiology

A vibrant, colorful illustration of various microorganisms including bacteria, viruses, and fungi. The background is filled with these organisms in various colors like green, purple, red, and yellow. In the top left, there is a circular inset showing a microscopic view of a cell. In the bottom left, another circular inset shows a collection of different microorganisms. In the bottom right, a hand in a blue glove holds a petri dish containing a white agar surface with several distinct bacterial colonies of different colors and sizes.
