**How to Turn Down a Billion Dollars** Billy Gallagher, 2018-02-13 In the grand tradition of Ben Mezrich's *The Accidental Billionaires* (2009) an engaging look into a fascinating subculture of millions Booklist Breezy *How to Turn Down a Billion Dollars* ably if uncritically chronicles the short history of a young company catering to young users with a young chief executive and reveals intentionally or not the limitations that come with that combination Wall Street Journal The improbable and exhilarating story of the rise of Snapchat from a frat boy fantasy to a multi billion dollar internet unicorn that has dramatically changed the way we communicate In 2013 Evan Spiegel the brash CEO of the social network Snapchat and his co founder Bobby Murphy stunned the press when they walked away from a three billion dollar offer from Facebook how could an app teenagers use to text dirty photos dream of a higher valuation Was this hubris or genius In *How to Turn Down a Billion Dollars* tech journalist Billy Gallagher takes us inside the rise of one of Silicon Valley's hottest start ups Snapchat developed from a simple wish for disappearing pictures as Stanford junior Reggie Brown nursed regrets about photos he had sent After an epic feud between best friends Brown lost his stake in the company while Spiegel has gone on to make a name for himself as a visionary if ruthless CEO worth billions linked to celebrities like Taylor Swift and his wife Miranda Kerr A fellow Stanford undergrad and fraternity brother of the company's founding trio Gallagher has covered Snapchat from the start He brings unique access to a company Bloomberg Business called a cipher in the Silicon Valley technology community Gallagher offers insight into challenges Snapchat faces as it transitions from a playful app to one of the tech industry's preeminent public companies In the tradition of great business narratives *How to Turn Down a Billion Dollars* offers the definitive account of a company whose goal is no less than to remake the future of entertainment [Immortal Films](#) Barbara Klinger, 2022-11-15 Introduction the cultural biography of a film Listening to Casablanca radio adaptations and sonic Hollywood Back in theaters postwar repertory houses and cult cinema Everyday films broadcast television reruns and canonizing old Hollywood Movie valentines holiday cult and the romantic canon in VHS video culture Happy anniversaries classic cinema on DVD Blu ray in the conglomerate age Epilogue streaming Casablanca and afterthoughts Appendix one Casablanca's first appearances on US platforms formats Appendix two Casablanca's physical format video rereleases

**Post Corona** Scott Galloway, 2020-11-24 New York Times bestseller Few are better positioned to illuminate the vagaries of this transformation than Galloway a tech entrepreneur author and professor at New York University's Stern School In brisk prose and catchy illustrations he vividly demonstrates how the largest technology companies turned the crisis of the pandemic into the market share grabbing opportunity of a lifetime The New York Times As good an analysis as you could wish to read The Financial Times From bestselling author and NYU Business School professor Scott Galloway comes a keenly insightful urgent analysis of who stands to win and who's at risk to lose in a post pandemic world The COVID 19 outbreak has turned bedrooms into offices pitted young against old and widened the gaps between rich and poor red and blue the mask

wearers and the mask haters Some businesses like home exercise company Peloton video conference software maker Zoom and Amazon woke up to find themselves crushed under an avalanche of consumer demand Others like the restaurant travel hospitality and live entertainment industries scrambled to escape obliteration But as New York Times bestselling author Scott Galloway argues the pandemic has not been a change agent so much as an accelerant of trends already well underway In Post Corona he outlines the contours of the crisis and the opportunities that lie ahead Some businesses like the powerful tech monopolies will thrive as a result of the disruption Other industries like higher education will struggle to maintain a value proposition that no longer makes sense when we can't stand shoulder to shoulder And the pandemic has accelerated deeper trends in government and society exposing a widening gap between our vision of America as a land of opportunity and the troubling realities of our declining wellbeing Combining his signature humor and brash style with sharp business insights and the occasional dose of righteous anger Galloway offers both warning and hope in equal measure As he writes Our commonwealth didn't just happen it was shaped We chose this path no trend is permanent and can't be made worse or corrected
