Take Back Your Privacy David Haywood Young, 2016-01-20 Curious about surveillance Wondering about the security of your computer or phone These are just a couple of starting points The author with decades of experience in the field takes us on a journey through the digital landscape Exhaustively researched with hundreds of links it s nevertheless written in an informal and entertaining style Do you know the difference between a web browser and the internet That s about all you ll need to start When you re done with this book you ll know more than most IT information technology professionals do about digital security You ll be able to analyze the claims made by tech bloggers and those who flog their own products You ll know much much more about the risks to your privacy and anonymity and why they re both so important in today s fast moving world Then at the end the author tells how he once went to jail for trying to help protect thousands of college students including himself It s a chilling reminder of just how easily spin can replace substance And yet it s a funny story Come on in and give this book a try You ll be glad you did

What makes Netflix's Bodyguard so successful? An intimate viewing

Mela Z., 2019-05-15 Essay from the year 2019 in the subject Art Photography and Film grade 1 0 University of Art and Design Linz Kunstuniversit t Linz language English abstract What makes Bodyguard so successful An intimate viewing When in due time after watching Netflix s Bodyguard simply didn t fade out of my mind it made me a little uneasy I felt compelled to try and find out what was so compelling in there The investigation then became a bit of an obsession in itself which no doubt ran away with me sometimes turning into some dubious lanes here and there Nonetheless it was enjoyable as I hope it is for you too to read Without knowing the whole first season six hours none of this will make sense to you So watch first then enjoy reading the thematic and psychological theories about it For plot theories or discussion of realism plausibility of the action parts look elsewhere My purpose was to look for meaning staying in the characters points of view for a lot of the time rather than to find fault The meaning offered by a completed work is usually not identical with what was intended by its makers And meaning doesn t always emerge by design sometimes things just fall into place Every interpretation that s well reasoned is justified and can be challenged by further argument This is just one viewer s view Summary Part I The main character p 2 assumes that underneath the bodyguard s professional demeanor there is a very sensitive and even childlike soul and it shows up in his body quite a lot if you know where to look We delve into reading the bodyguard s mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity Part II The relationship p 11 tries to draw near to what gets this unlikely pair together at all a theory being that for him it is a very bodily need but not primarily a sexual one associated with his stress disorder This part further points out that their relationship is visually described by two beautifully handled guiding themes the touch of their hands and their partly only symbolic embraces Part III The finale p 21 describes a striking analogy between the bomb vest around David s body and his inner mental powder keg of trauma hurt and the stress of covering it up It deals with death tombs and the underworld a bit like in Greek drama and after having been there getting back to life

Tickled Duff McDonald,2021-10-19 A bestselling journalist sets out to explore our addiction to the quantification of everything and ends up confronting his own addiction to certainty In 2020 nothing went according to plan Duff McDonald had intended to write a book about society's obsession with measurements data and predictions showing how it blunts individual happiness and decision making while fueling corporate capitalism But in the quiet of quarantine McDonald found himself reexamining the assumptions beneath his own life choices Drawing inspiration from an impressive range of sources from Borges to the Buddha to Bob Dylan to Harry Potter McDonald documents how he let go of his attachment to precision in favor of delving deeper into what it means to be present in his work his relationships and what he calls the science of experience He asks What should I have been doing I should have been focusing on things that I love not the things that anger or annoy me I should have been focusing on things that tickle me Part self help part memoir Tickled is a story of how to bring joy and love into your life right now McDonald acknowledges that tickle is a funny awkward word In one context it's as innocent as can be But it also runs deeper When something tickles you you are in the moment experiencing reality itself at

the vortex of truth consciousness and bliss As he lays out his own personal transformation McDonald invites readers to begin their own journeys to find out what tickles them too This exploration of joy and presence experiences that tickle lies at the heart of McDonald s unusual moving and profound book **The Long Distance Playlist** Tara Eglington,2020-01-01 Told primarily in instant messenger conversations Skype emails and texts this is Jaclyn Moriarty s Feeling Sorry for Celia for the modern teen Longlisted in the 2021 Australian Book Design Awards Taylor and Isolde used to be best friends before THAT FIGHT 18 months ago It s been radio silence ever since until Taylor contacts Isolde to sympathise with her breakup the breakup that she never saw coming the breakup that destroyed her confidence and ended her dreams of joining the National Ballet School Taylor s had his own share of challenges including a life altering accident that has brought his hopes of competing at the Winter Olympics to a halt Isolde responds to Taylor to be polite But what starts out as heartbreak themed Spotify playlists and shared stories of exes quickly becomes something more And as Taylor and Isolde start to lean on each other the distance between them begins to feel not so distant after all A boy A girl A one of a kind friendship Cross country convos and middle of the night playlists With big dreams come even bigger challenges PRAISE FOR TARA EGLINGTON S BOOKS My Best Friend is a Goddess is a sincerely sweet and seriously smart story with a lot of heart Danielle Binks YA author and reviewer Scary relatable like seriously has a piece of fiction ever hit this close to home Author Tara Eglington just knows about girl stuff And bestie stuff And boy stuff Girlfriend magazine Tara Eglington perfectly captures the intensity humour and heartache of female friendship Lili Wilkinson bestselling author of Green Valentine **Single & Ready for an Arranged Marriage** Thendral Uthaman,2024-09-28 Maya s ready for a change She has spent three years in a dead end job and it s time to pursue something more creative something fun She just needs to break this to her parents Her Tamil immigrant parents But it turns out Maya s parents are ready for a change too They ve decided it s time to get her married She s 25 after all They tell her the process will feel like a family approved dating process where everyone gets a say and they promise her it won t be a forced marriage She can t see how they re supposed to agree on a husband for her when she can t even agree with her mum on a saree Still Maya s tired of swiping left or right for romances with the lifespan of fruit flies So after much careful deliberation she gives in to her parents Maybe this could be her chance to find the one It will be fine Right Except what starts as a hopeful search for love soon spirals into a whirlwind of speed dating societal expectations and all the chaos of navigating your twenties With the pressure building up Maya soon finds herself questioning if she s falling into exactly what her parents promised it wouldn t be a forced marriage Will Maya find love or be able to live the life she dreams of [The Secret Science of Magic](#) Melissa Keil,2023-08-02 Sophia is smart like genius calculator brain smart But there are some things no amount of genius can prepare you for and the messiness of real life is one of them When everything she knows is falling apart how can she crack the puzzle of what to do with her life Joshua spends his time honing magic tricks and planning how to win Sophia s heart But when your best trick is making schoolwork disappear how do you possibly
