Quincy Kathi S. Barton,2022-04-13 Quincy watched the woman move through the crowd He couldn't put his finger on it but something just felt off She was too close to the man in front of her not to be with him When the man purposefully stepped out in front of an oncoming truck it was all Quincy could do to stop her from the same fate She was deaf Her scent was familiar but she wasn't his mate Grace was upset with Quincy but didn't know why She was thankful that he saved her sister but she felt pissy and needed to take it out on someone and he made a good target But when he didn't retaliate she regretted her actions It didn't take but a second for Quincy to figure out that Grace was his mate But would she be as happy about it as he was Only time would tell

Davis Kathi S. Barton,2015-06-04 Vicki Carver had seen all the carnage from what appeared to be some kind of battle and just stopped long enough to see if the big man was alive or dead like the rest of them That large broadsword in his hand had her keep her distance Pitching a pebble or two at his face should arouse him if he was indeed still alive Davis Brown was thoroughly exhausted but he couldn t ignore the small stones pelting his face If it was more malefactors to fight he d just have to let them do him in He was too tired to fight again so soon To his surprise it was a woman not just any woman but a feisty vixen who was not only beautiful but could see the malefactors That meant that she was either magical or one of them

a warrior his mate Vicki had her own demons to battle and to be thrown into a mystical battle with Rembrandt's warriors to save their world from being overrun by malefactors wasn't anything she had planned for much less this mate business Who did he think he was anyway But she couldn't seem to resist the hot sexy man that brought her to the compound *Chase* Kathi S. Barton,2025-05-04 Chase Crosby didn't know what he wanted right now He was trying to get a grip on who his new mate was He was told she was an ice dragon but that wasn't right either she was a protector of the ice dragons He had so many questions and all he could do was sit there while she was locked away in his freezer to recover from her injuries Emerald was a warrior and she had no idea what she was going to do with a mate Even though the vampire appealed to her she was worried the people chasing her would hurt him or his family to get to her and she couldn't allow that A Homeland Security Agent had gone rogue and he was after Emerald He didn't know exactly who or what she was but he was going to prove she'd been around for centuries and it didn't matter who he had to go through to get to her *Jarrett* Kathi S. Barton,2015-03-23 Addison Parker is on the run No matter how fast she runs or how far she travels she can't hide from herself or the gift she's been cursed with She can read people's minds and with a touch can see into their future That is a secret that she has learned to keep well everyone always wanted something from her when they learned what she could do It's easier to avoid people all together Jarrett Emerson is just helping his dad and brother protect an innocent from a perverted wretch But when a falling brick knocks Addie unconscious she falls right into Jarrett's arms To his surprise he realizes that she is his mate and human Addie felt stupid standing there like she was and moved to the sink Jarrett watched her before he reached for a second glass Addie had no idea why but she thought he was nervous I'm not going to pounce on you As soon as the words left her mouth she knew that she'd made a major mistake He turned so quickly that she backed up and hit her ass on the counter behind her He didn't stop there but took the two more steps to have her leaning back to look up at him I'd like nothing more than to have you pounce on me His voice was a soft growl that had her thinking all sorts of things that had nothing to do with food You're very beautiful No I'm not He nodded and halved the distance between them You're too close I can't think when you're this close Jarrett doesn't want her to leave If she goes he goes with her That's the way it is with mates But when a corrupt attorney has other ideas the Emersons have to regroup to protect what they now consider their own
