*Competing with Disruptive Business Models in Traditional Industries. Conceptualisation of a Strategic Framework* Nils Berkemeyer, 2016-05-06 Master s Thesis from the year 2015 in the subject Business economics Business Management Corporate Governance grade 1.0 Cass Business School language English abstract An increasing number of journalistic articles and academic literature deal with the struggle of established companies to fend off the attacks by industry newcomers such as Airbnb Spotify Netflix Google and many others These companies enter traditional industries with innovative business models and compete in a manner which makes it challenging for incumbent firms to understand their novel competition and respond effectively This study introduces a typology of three

stages of industry disruption that classify the newcomer's developmental stage and describe the incumbent's competitive position in terms of competition intensity and remaining time to respond. It is demonstrated how incumbents may conduct their strategic reasoning along these stages to arrive at a strategic goal and evaluate possible counter measures.

**Is Iggy Azalea's Use of African-American English Cultural Appropriation? Attitudes towards her "Crossing" on Social Media**, 2022-08-09 Seminar paper from the year 2019 in the subject English Language and Literature Studies Linguistics grade 1-7 University of Münster language English abstract Iggy Azalea, a white Australian hip hop artist, uses African American Vernacular English when rapping. Whether this act of crossing is cultural appropriation was debated on social media and in the news. The question this paper aims to answer is if the wider audience on YouTube has a negative attitude towards Azalea's crossing. Considering the extensive media coverage of which a substantial part was critical of Azalea's language use during performance, the hypothesis is that the majority of the YouTube audience is negative towards this issue. But before the data can be analysed, there is essential information that requires to be provided. This information will be given in the next part and it includes Iggy Azalea's biographical background as well as relevant terms and concepts, namely African American English, the hip hop nation, and its language and crossing. Moreover, the study by Eberhardt and Freeman shall be presented in more detail. Before moving on to the empirical part of this paper, where comments below the music videos *Work* and *Fancy* are analysed, there shall be a short excursion on language attitudes and how to research them. Then, having presented and analysed the results of the study, the findings shall be discussed until finally some concluding remarks are made.

OECD Internet Economy Outlook, 2012 *Bloomberg Businessweek*, 2010-04 **Streampunks** Robert Kyncl, Maany Peyvan, 2017-09-05 An entertainment and tech insider YouTube's chief business officer delivers the first detailed account of the rise of YouTube, the creative minds who have capitalized on it to become pop culture stars, and how streaming video is revolutionizing the media world. In the past ten years, the internet video platform YouTube has changed media and entertainment as profoundly as the invention of film, radio, and television did more than six decades earlier. *Streampunks* is a firsthand account of this upstart company, examining how it evolved and where it will take us next. Sharing behind-the-scenes stories of YouTube's most influential stars, *Streampunks* like Tyler Oakley, Lilly Singh, and Casey Neistat, and the dealmakers brokering the future of entertainment like Scooter Braun and Shane Smith, Robert Kyncl uses his experiences at three of the most innovative media companies, HBO, Netflix, and YouTube, to tell the story of streaming video and this modern pop culture juggernaut. Collaborating with Google speechwriter Maany Peyvan, Kyncl explains how the new rules of entertainment are being written and how and why the media landscape is radically changing while giving aspiring *Streampunks* some necessary advice to launch their own new media careers. Kyncl persuasively argues that despite concerns about technology impoverishing artists or undermining artistic quality, the new media revolution is actually fueling a creative boom and leading to more compelling, diverse, and immersive content. Enlightening, surprising, and thoroughly entertaining.

The Parliamentary Debates (Hansard). Great Britain. Parliament. House of Lords,2010 **The Power of Real Optimism** Deepika Chopra,2026-03-10 Optimism isn t about pretending everything is fine It s about staying open and

flexible especially when it's not. In this fresh science-backed debut, professional psychologist and media expert Dr. Deepika Chopra shows us how to build the kind of optimism that can actually withstand real life. We've been sold the idea that optimism is a mood, a mindset, or worse, just an inherent trait. But what if real optimism is something else entirely? In *The Power of Real Optimism*, Dr. Deepika Chopra, known as "The Optimism Doctor," offers a radically different definition: optimism as a science, a skill, and a psychological muscle we can strengthen. Drawing from over a decade immersed in the science of resilience, emotional well-being, and cognitive psychology, as well as her work with clients, innovative workshops, and hallmark practices like evidence-based visualization, narrative reframing, her signature self-worth work, and even color therapy, Dr. Chopra offers a toolkit for navigating the chaos, uncertainty, and nuance of being human without losing yourself to it. Grounded, practical, and poetic in all the right ways, this book will challenge your relationship with hope, rewire how you recover from hard things, and invite you to stay soft without falling apart. With her blend of intimate storytelling, psychological insight, and tangible tools, including a 33-day Real Optimism Challenge, Dr. Chopra offers something far more enduring than a quick fix or fleeting affirmation. She invites us into a deeper, more resilient way of living, one where we can stay curious in the face of fear, open in the face of grief, and grounded even as the world wobbles beneath us. Because real optimism doesn't deny the dark, it teaches us how to see in it.
