pregnancy she realizes her child's life is threatened by outside forces. Has the Storm Lord returned to her dreams but wait. Is he real? Who did she and Kevin kill in their first encounter if it wasn't the Storm Lord? In the first book Angel and Kevin begin their life together like a storybook fable. Kevin is the knight in shining armor who she meets and who protects her and comes to her rescue when the Storm Lord threatens to take her life. She is beautiful with auburn hair that crowned her head to the middle of her back. What can we say about Kevin? He is the handsome and courageous divorced sheriff of Black Rock Cove. As in all fables these two are made for each other. But will they stay together when Kevin finds out the real truth about Angel? Unfortunately their lives far from being made perfect become complicated. Angelica continues to be a hostage from the Evil One and his enchantments and sorcery. Kevin continues along with the shapeshifting sea captain the one able to wield the massive blue flaming sword preparing for when they meet again. Angel continues to discover more of the enchantments that hold her hostage. Why do all of the villagers in Black Rock Cove turn their backs on her when she comes to town? Why is it the FBI investigators continue to disappear overnight when in town to investigate the disappearance of so many children? Why are her nightmares getting stronger each day as she gets closer to having her first newborn? Why is her amulet beginning to glow again? So many questions so little time. Angel is so so ready to have her child. Nighttime temperatures collapse on the cliffs of Black Rock Cove. She stood up and peered out the window. It's not like when she lived in Denver. The window for the most part was her only connection to the outside world. Without it she would feel like she was in a tomb. Already it was as quiet as a mausoleum. A movement in the shadows had her frozen. Wait. It's no more than a rustle but lately because of her dreams in this failing light her heart was on a hair trigger. More noise came from the front porch. Angel reached down and rubbed her pockets on her warmups looking for her pepper spray but both were flat. Jesus Christ. Where did I leave my spray? Kevin is always getting on me for not carrying it with me. Freddie Krueger move over. There's a new name in town. ETHAN KNIGHT.
