

A promotional graphic for Disney 2025. The background is a dark teal color. On the left, there is a large, close-up image of the character Heihei from Moana, a blue pig-like creature with large black eyes and a wide, toothy grin. In the center, there is a character from Encanto, Isabela Madrigal, with her signature blue eye patch, smiling and raising her right fist. Below her is another character from Encanto, Mirabel Madrigal, looking upwards with a thoughtful expression, holding a red apple. On the right side, the word "Disney" is written in its classic white script font, and the year "2025" is written in large, bold, yellow block letters with a black outline.

digital convergence are successfully operating in the media sector as well. The new competitive dynamics are on display in the analysis of the streaming and social media landscapes. This book sheds light on the clash of two institutional logics within the new attention economy and its consequences on the competitive landscape. The legacy media institutional logics represented by the legacy media conglomerates revolving around the Hollywood studios, which have established their primacy in the global mediascape for decades, now directly compete in the new landscape shaped by digital convergence with the digital media institutional logics, identifying the tech giants emerging victorious from the digital revolution. The analysis utilizes the dichotomy between scripted and non-scripted media entertainment as a framework to assess the diverse competitive landscapes, business dynamics, and their implications of the different segments shaping the contours and boundaries of the media industry.
