Mark Dice,2018-11-13 It s as if we re living in an episode of the Twilight Zone Every day we are inundated by news reports trending topics on social media and new political movements promoting such bizarre beliefs about race gender sexuality and life in general that it s impossible in many cases to distinguish whether such ideas are serious or if they re a parody of what liberalism has become The political differences between liberals and conservatives used to be pretty well established but recently the tug of war between the Left and the Right took a dramatic and disturbing turn Modern liberalism has been replaced with new mind boggling agendas promoting the adoption of unscientific authoritarian and sociologically disastrous ideologies In attempts to accomplish their plans the Left are conspiring to end freedom of speech traditional families long cherished holidays and hope to implement a new world order Who is behind this madness What is their ultimate goal How far

are they willing to go to achieve it And what can we do to stop them Bestselling author and media analyst Mark Dice takes you on a tour inside the minds of those constructing this new social landscape in his groundbreaking investigation **Liberalism Find a Cure** **Saving Lives** Sandy Summers, Harry Summers, 2015 This fully updated and expanded edition of **Saving Lives** highlights the essential roles nurses play in contemporary health care and how this role is marginalized by contemporary culture Through engaging prose and examples drawn from television advertising and news coverage the authors detail the media's role in reinforcing stereotypes that fuel the nursing shortage and devalue a highly educated sector of the contemporary workforce Perhaps most important the authors provide a wealth of ideas to help reinvigorate the nursing field and correct this imbalance
