Communication Strategies and Interactional Skills: Analysis in an ESL Classroom Dr. Shubhada Deshpande, 2023-11-29

The Manuscript prepared with the aim to explore the possibilities of correlation between communication strategies and interactional skills I am glad to share the analysis and results of the research exercise conducted with the help of my 40 students who though expressed their happiness over having experienced motivation towards English speaking throughout the study actually made the whole journey of research possible I am optimistic towards further implications of the study as I am sure the clusters of communication strategies and interactional skills observed as a part of my study can be further explored as the pathway to improved speaking skills of the ESL learners

Multilingual Aspects of Signed Language Communication and Disorder David Quinto-Pozos, 2014-01-29 This book provides a synthesis of work on communication disorders of child and adult users of signed languages The chapters investigate linguistic impairments caused by deficits in visual processing and motor movements as well as neurological decline The volume also contains in depth descriptions of child language acquisition in the signed modality and suggestions about how signed languages might guard against communication disorder
