Every dollar you spend or don't spend is a choice that shapes your future. How do you balance today's dreams with tomorrow's security? In this fun, practical roadmap, Vivian Tu, New York Times bestselling author, financial expert, and the internet's favorite money bestie, shows you how to strategically spend, directing your cash toward what matters most while positioning yourself to grow real, lasting wealth. This book answers all your burning questions: Should I rent or buy a home? Do I really need a prenup? What about my car: do I finance, lease, or buy? How much do I actually need to be setting aside for retirement? How do I set my kids up with lasting generational wealth without making them lazy and entitled? Should I get life insurance? What about pet insurance or renter's insurance? Picking up where her first bestselling book left off, Vivian breaks down the biggest financial decisions of your late twenties, thirties, and beyond: homeownership, marriage, family, and teaches you how to align your spending with your values, your goals, and the legacy you hope to leave. With the insider savvy of a former Wall Street trader and the honesty of your smartest friend, she shows you how to make your money work harder so you can live richer in every sense. *Well Endowed* goes beyond the basics of personal finance to show you how to accumulate wealth and use it to benefit your most important assets: yourself and your loved ones. Smart, relatable, and packed with game-changing advice, this is the ultimate guide to leveling up your finances and your future.

Do you want to have an author store and don't know where to start? Or have one and don't know how to make the most of it? Take back your power and control your author finances with an author store. Your store is not just another retailer; with the right store, you can upsell, retarget, bundle products such as an ebook and a print book, or whatever you like. No more rules. No more nastygrams. No more spending most of your ad budget to subsidize retailers sending your readers to a page with other authors' books on it. With a store, you can get paid now. That's right, now, and not in 60 days. And no more retailer cuts. Ever wondered who buys your books? Not any more. Now you have data, and depending on your storefront analytics. This book answers questions such as: What should you do when starting out? Which storefront would suit: Shopify, Payhip, WooCommerce, PayPal button, or one of the others? What do you need to start a store, and if you have a store, how do you optimize it? Do you really need to train people to buy from your store? What about international sales tax? It depends on buyer location, not just yours. Want to sell print but don't want to pay for print upfront, handle stock, or go to the Post Office? And much more. Such as: Time to think differently about advertising. And: How to manage change in the industry. Plus other insider tips.
