A Parent's Guide to a Peaceful Home Patricia Braxton,2013-06 Parents serve as their children s first teachers What they learn at home helps them build on their learning and education at school In A Parent s Guide to a Peaceful Home author Patricia Braxton provides a guide to helping parents manage their home in a peaceful loving way in order to ensure success for their children at home and at school This handbook presents Braxton s TAD Toward Affective Development model which gives practical advice to help parents teach their children responsibility respect discipline and other positive character traits It also teaches parents how to relate to each other properly and how to affect change from within Through TAD Braxton works to change the face of families in a positive way The steps detailed in A Parent s Guide to a Peaceful Home can facilitate an atmosphere where love compassion respect and other virtues are taught by example and reinforced to produce a lasting peaceful home

The Cowboy's Intriguing Love SJ McCoy,2024-07-29 The Cowboy s Intriguing Love will be the seventh book in the MacFarland Ranch series This is Tyler and Shayna s story Most of his brothers have met amazing women and settled down and they re encouraging Ty to do the same Well they call it encouraging but in his mind they re meddling He plans to take down the online dating profile they set up for him just as soon as he can Until he receives a message from a hot blonde in California Shayna s lived in Summer Lake her whole life She doesn t expect that online dating will lead to her finding the man of her dreams but she s already dipped a toe or two in the dating pool at the lake and it could use a good shot of chlorine When a well meaning friend sends a message from her account to a hot cowboy in Montana things might be looking up Exchanging messages with Ty is great but is it crazy to think that they might get together in the real world

MacFarland Ranch Book 1 The Cowboy s Unexpected Love Wade and Sierra Book 2 The Cowgirl s Unmistakable Love Janey and Rocket Book 3 The Sheriff s Irresistible Love Deacon and Candy Book 4 The Cowgirl s Inevitable Love Laney and Luke Book 5 The Cowboy s Undeniable Love Kolby and Callie Book 6 The Rancher s Inescapable Love Ace and Ari Book 7 The Cowboy s Intriguing Love Ty and Shayna

[The Pilates Effect](#) Stacey Redfield,Sarah Holmes,2019-09-01 The true story behind this fitness phenomenon and its long controversy plagued road to popular success While millions today find the Pilates system helps to strengthen the core improve posture and recover from or prevent injuries and pain Pilates has been clouded in controversy since the beginning Its origin story is one of greed ego celebrities and lies with heated legal controversy that threatened the industry In *The Pilates Effect* Stacey Redfield and Sarah Holmes reveal the hidden history of Pilates From humble beginnings Joseph Pilates founded the groundbreaking regimen in New York City and worked closely with his partner Clara to rehabilitate and renew dancers who had been injured or were aging Although Joseph s core strengthening regimen was touted as fifty years ahead of its time finance and health issues plagued Joe and Clara s business A small and devoted group of followers including Carola Trier would fight to spread the practice that they felt gave them a second chance at life and rehabilitated their bodies and souls A fascinating and inspiring story of fitness in America The

Pilates Effect showcases the people and events that formed an iconic industry and reveal how it offers positive change for everyday people regardless of gender ethnicity or background

Pilates: Full-Body Workouts for a Stronger, Sexier You Jasmine Evans, 2012-07-30 ABOUT THE BOOK Pilates is a kind of exercise that works both the mind and the body It improves strength without necessarily building bulk It also targets the core midsection and other muscles that often get neglected by other activities My introduction to Pilates happened at an early age For most of my life I was considered tall for my age with long legs and big feet My parents thought it would be a good idea to enroll their lanky toddler in ballet classes I continued those classes and other dance classes for over 14 years In high school I was a lean 5 8 ballet dancer and basketball player I still had big feet but they were complemented by long legs long arms and a long neck What did I have to complain about My midsection I was relatively slim but I had a pudgy middle In high school where appearances are everything I wanted to do something about it Fortunately around this time my dance instructor introduced the class to the Pilates method She said that Pilates is based off of the ballet moves many of us had been doing for most of our lives She promised that the method would flatten our midsections and make us feel taller My dance instructor made good on her promise After just 15 20 minutes of Pilates before we started dancing I felt taller Over time I felt slimmer I was hooked I ve been doing Pilates ever since and I love it I ve taken classes and I ve done several Pilates DVDs Of all the activities I participate in everything from running to basketball to kickboxing to Zumba Pilates is one that I always come back to because it is really so effective and important EXCERPT FROM THE BOOK Pull the part of your stomach area that is below your belly button upwards and inwards as if you are pulling it away from your belt line Keep your rib cage relaxed and breathe normally You should be able to feel the muscle contracting in your lower abdomen Another essential skill is being able to activate your pelvic floor Your pelvic floor muscles are at the base of your abdomen They control your bladder and bowel functions They also stabilize not only the pelvis but also the lower back If you have lower back pain are pregnant or experience incontinence learning how to control these pelvic floor muscles can really help How do you activate your pelvic floor Start in neutral spine position Contract the muscles you would use to urinate Breathe as you normally would Once you can handle activating your TA and your pelvic muscles separately try activating them together Ready for some advanced Pilates moves Great Here are six of the most common moves for experienced Pilates pupils Because sometimes it s easier to see the moves being done rather than reading about them many of the links in this section are to videos Advanced Pilates Exercises The Crab The Crab requires complete control from your core so it will give you a great ab workout It builds on exercises like the Roll Up but is slightly more advanced Start by sitting up straight Bend your knees almost Indian style and cross your feet at the ankles Bring your knees up to your shoulders and grab your feet with your hands Drop your head and allow your spine to curve as you prepare to roll Breathe in and roll back Control the movement Try not to let your limbs flail around Once you roll to your shoulders let go of your feet and switch your feet around Grab your feet again as you prepare to roll up Breathe out and roll forward Inhale

as your head touches the mat Roll back to repeat the move Double Leg Kick This move works the back extensors and the hamstrings primarily but it can be a total body exercise as well Start by lying face down with your head turned to one side and your feet together

Pilates for Beginners Katherine Corp, Kimberly Corp, 2018-11-27 The do anywhere for anyone Pilates instruction book It breaks down each exercise in a way that is easy to follow and lets you move at your own pace Jennifer Lang M D author of The Whole 9 Months No matter your fitness level learning to do Pilates means going back to the basics Teaching you core Pilates exercises with step by step guidance and easy sequences Pilates for Beginners is the ultimate starter guide for a confident at home Pilates practice From your first time on the mat to finishing a complete sequence this book develops your Pilates regimen with a progressive easy to follow program Complete with clear instructions photographs and tips to do the exercises right this is your go to reference to keep your body supple and mobile and add more life to your years This workout guide gives you all the information you need to make Pilates part of your daily routine with Pilates 101 that explains the philosophy and guiding principles of Pilates Centering Concentration Control Precision Breath and Flow to incorporate into workouts 50 easy to follow exercises that include warm ups cool downs and bonus strengthening exercises with photographs checklists and tips to help guide you Progressive sequences that lay a strong foundation for body awareness in the introductory program and build strength spinal mobility flexibility and control from Level 1 to Level 2 Pilates is a source of lifelong energy strength and flexibility for both your mind and body Start building your practice and feel the difference with Pilates for Beginners Stemming from their decades of extensive professional experience Katherine and Kimberly have thoughtfully created a truly unparalleled guide to Pilates that is easy to follow and full of valuable information Jessica Matthews DBH author of Stretching to Stay Young *Pilates for You* Ann Crowther, 2009
